69 FINANCE

We're going to offer you your own business.

We're looking for men and women Bright, Aggressive. Individuals looking for good money and independence. Our business is helping people attain financial success by showing them how they can meet their investment objectives. After you've read to yourself, then the work begins. We invest our time, money and a great deal of effort. You repay us with your energy and talents. We realize some people do better than others when they're on their own. But we'll sell you everything you need to get started, all about our broad range of products and services. Then we'll teach you how to sell through our professional selling skills programme. You'll be trained by professionals.

And if that isn't enough, we'll pay you.

You'll earn while you learn. And you'll continue to be paid during your "getting started" period. After that, it's your own business. If this sounds good to you, it is. Please contact:
