Welcome all groups to sports council meet

Acton parks and recreation committee is inviting all organizations or parties interested in the formation of a local sports council to meet with committee member Ed Wood at the Acton Library, Tuesday, November 6 at 7.30 p.m. Plans will be formulated then to bring this idea to life. Eleven representatives of Acton sports associations attended an informal discussion on the merits of a sports council last month and the general feeling was that the idea was definitely a good one.

"This is our opportunity to develop good communication lines between the people affecting sport in our community," Mr. Wood told the Free Press this week.

A change in age group classification in the OMHA this year has resulted in a switch between the ATOM and NOVICE names.
NOVICE, formerly for boys 6-10 years old is now the name for the 6-8 year old age group. ATOM, formerly for 6-8 year olds is now the name for the 8-10 year old group.
The Legion Minor Hockey house leagues will follow the same nomenclature.
