Youth hits jackpot at convention

An Erin youth employed at Acton IGA hit the jackpot October 29th while attending the IGA convention at the Skyline hotel, Toronto. Almost 1400 guests attending the affair waited excitedly to see which of them would win a two week all expense paid trip to Hawaii plus a cheque for \$500. "I wasn't the least bit surprised," said John Perron, 16, of 23 Dundas Street, Erin. His ticket was drawn by a girl who, only minutes before, had been crowned Miss Cashier of the Year. John has been employed at Acton IGA for the last two months and is a previous employee of the IGA in Erin. Will he take the trip and what will he do with the money? At this point he is uncommitted. He likes his work at the store and appears rather shy about the publicity.

Permits up \$2,000,000

Building permits issued in Nassagaweya Township this year indicate the value of construction this year to date will surpass the similar period of time last year by close to \$2,000,000. One hundred and nineteen permits have been issued so far this year for a value of \$3,730,300—compared to 89 permits valued at \$1,751,500 last year. In October, 17 permits were issued for work valued at \$341,800. Permits for seven new homes, four residential additions or alterations and four private garages were taken out in addition to two agricultural buildings.
