find themselves without a place to live. These beds would be used for emergency cases only, on a temporary basis.
According to Mrs. Isham the land acquisition is all but finalized. The plan for a residence has been on the drawing boards for several years now.
Other attempts to locate in the area of ARC Industries at Hornby had been thwarted by objectors. Mrs. Isham said there was a definite need for such facilities in the area.
Basically the residence would provide mentally retarded adults with a home after they leave home or their parents or custodians die. Until now placing these people in a home atmosphere has been a problem, Mrs. Isham said.

Association may turn dream to reality

The North Halton Association for the Mentally Retarded seems about ready to turn a long-time dream into reality. Plans for a residence that will eventually house 10 trainable retarded adults are well underway.
Mrs. W. Isham of ARC Industries said the Association is in the process of purchasing five acres of land north of Steeles Ave. on Trafalgar Rd.
She said the residence would house 10 persons and make provision for a foster mother and father. Mrs. Isham said she hoped there would be room for two or three beds to accommodate mentally retarded adults who
