Youth bowling

By Rick Roeder

HANTARS
Dec. 2: In their first shift of bowlers, the Souils caught the Cats sleeping as they won both games. Mark Walker was the top bowler for the Souils. He bowled 49 pins over his average in his first game which was plenty to win "pop" for his team. The Octopus showed the Raiders how they got into first place by whipping them in both games. Team captain, Lynda Knight led the victory by bowling 48 pins over her average in the first game to also win "pop" for her team. The Dogs chased the Whites down the bowling lanes today to win one game and total. This moved the Dogs into a tie for second place.
Second shift: This Saturday was a great day for three of the teams who took all points but it was a poor day for the other losing three teams. The Kangaroos hopped away from the Donkeys in both games. George Warner bowled a great first game of 191 for the Donkeys but it was in a losing cause. The Teddy Bears must have been liberating today as the Crabs beat them in both games. The Penguins missed Kevin Boufford who was absent. They were defeated in both games by the Sea Horses. We hope Kevin will be well enough to join us at Youth bowling next Saturday.

Another good bowling night last Tuesday eve pushed her average up to 214... that winds it up once again, my friends, so adios, amigos and goodnite, Concord City.
