

THE OLD NO. 2 SCHOOL HOUSE isn't what it shutters and a front door added where a window used to be! Sashed windows are flanked with used to be.

JIM AND MARGARET ALLSOP sit in what was the teaching area of the one room school house.

'T WAS THE NIGHT BEFORE CHRISTMAS
AND ALL THROUGH THE TOWN
PEOPLE WERE HAPPY,
NOT A FACE WORE A FROWN.

AND OUT ON THE STREET
NOT A DRIVER'D BEEN DRINKING,
IT SEEMS THAT THEY'D ALL
BEEN DOING SOME THINKING.

TO DRINK AND TO DRIVE
ON THIS DAY OR ANY
WOULD ENDANGER THEIR LIVES,
INDEED THAT OF MANY.

SO THEY WALKED, WENT BY CAB,
OR JUST STAYED AT HOME
AND CHRISTMAS MORNING ARRIVED
WITH NO CHILDREN ALONE.

First chance at garage goes to Milton

Halton Regional council will give Milton first chance to acquire the old Halton county roads department garage, if the region decides it isn't needed.

The regional works committee, recommended the move to council after a meeting in Georgetown

Halton County opened a new works garage, three weeks ago, on Steel's Avenue, which will be turned over to the region at the beginning of the year.

The newly appointed regional engineer, Robert Bailie, said the old garage might be needed by the region for the sewer and water department, which is now a regional responsibility.

Mayor-elect Anne MacArthur of Milton, a member of the works committee, said her municipality needed the space because the town of Milton must service a much bigger area than they did previously.
