NOTICE

PLEASE TAKE NOTE the Acton Planning Board proposes to amend the Official Plan of the Acton Planning Area as provided for by Section 12 and Section 17 of the Planning Act, R. S. O. 1970.

The Proposed Amendment is Cited Below:
Amendment No. Seven to the Official Plan of the Acton Planning Area for the property on the west side of Main St. North opposite the Wallace St. entrance to the Industrial Park. This Lot formerly owned by Mr. Kamberlan now owned by Mr. Mogens Toft.

1. PURPOSE AND BASIS OF THE AMENDMENT
This Amendment is the result of an application made by the owner of the lands affected by the Amendment whereby the owner has requested permission to change the use from those permitted in an Industrial - Light M1 Zone as provided under Restricted Area By-law No. 1358, as amended, to one or more of those uses permitted in a Residential R2 Zone.

In view of the fact that the intended change of land use will be toward a permitted use more compatible with the surrounding uses, it is considered desirable to amend the land use designation in the Official Plan of the lands which are the subject of this Amendment.

Section III of this Amendment sets out in detail the item which is to be amended in the Official Plan.

2. EXISTING CONDITIONS
The site of the proposed change is a vacant lot on which there has gathered over the years all sorts of debris. This is a most unsightly condition, particularly in respect of a parcel of land fronting on one of the main streets in the Town.

3. DESCRIPTION AND LOCATION
The change of land use designation from Industrial - Light M1 Zone to Residential R2 Zone for a parcel of land which may be described as all of Lot 182 according to a Plan registered as No. 1098 in the Town of Acton, is indicated on the map annexed hereto as Schedule "A" entitled:

"Official Plan of the Acton Planning Area Amendment No. 8"

4. PURPOSE
The owner of the lands has requested that the use of the lands aforesaid be changed from those permitted in an Industrial - Light M1 Zone to Residential R2 Zone. The owner proposes to remove all the debris on what is now a vacant lot and build on it a single family residential dwelling.

5. DEVELOPMENT POLICY
The General Development Policy set out in Section 4 of the Official Plan shall apply.

6. IMPLEMENTATION
The detailed zoning classifications will be based on a development plan covering the whole area included in this amendment. The appropriate zoning classifications will be established as an amendment to By-law 1358. Any persons interested may within the prescribed time, file in writing their opposition to or support of the said amendment, to the Secretary-Treasurer of the Acton Planning Board, 40 Mill Street East, Acton. Final date for filing objections will be Jan. 17, 1974.
