

Couple back from Tahiti

By Doris Fines
Mr. and Mrs. Fred Swain of Niagara Falls, Ontario, spent the week-end at the home of Mr. and Mrs. Elmer Fisher. Mr. and Mrs. Ed Stewart have returned from an eight-day vacation trip to the South Sea Island of Tahiti. All expenses were paid by J. I. Case Company. The plane trip took 11 hours, with stops at Chicago and Los Angeles. The island itself is small, and the whole of it can be seen in a single day's tour. Everything is very expensive. Their only source of income is from the tourists.

W.I. visit
Seven ladies of the Ospringle Women's Institute visited the Hillsburgh Nursing Home on Saturday afternoon. The patients enjoyed a few games of bingo and a friendly chat over a cup of tea. Those visiting were Mrs.

Ed Archibald, Mrs. Elmer Fisher, Mrs. D. M. Dudnik, Mrs. Gordon Aitken, Mrs. H. R. Howard, Mrs. D. G. Robertson and Miss Doris Fines. The patients enjoy these little visits, they add just another bright spot to remember. Mrs. Wayne Maddock, of the staff, thanked the ladies for coming.

Rev. Thomas Maxwell will supply minister at Knox Presbyterian church Sunday morning, speaking on "Our Questions and Jesus Answers." Mr. Maxwell was a former minister here, and is now a lecturer at Wilfred Laurier University, Waterloo.

Mrs. Thomas Fines and Doris Fines visited Sunday afternoon in Guelph with Mrs. Harry Armstrong and Mrs. Myrn Devereux.

BRISBANE GIRLS ARE worthy opponents, so the Rockwood students learned last Thursday night as they were trounced to a heavy loss at the annual volleyball tourney held at the John F. Ross collegiate with several schools competing. Brisbane is being well supported as avid fans root for their favorite team.

Ballinafad

Community centre annual

By Mrs. R. Shortill
Mr. Calvin Sanderson is taking an eight week course at Centennial College in Scarborough.

A dance in the Community Centre sponsored by the Ballinafad Cub Auxiliary was a success. Also on the Saturday the cubs had their outing to Toronto to the Ice Palaces returning by way of McDonalds for hamburgers.

Mr. Stan Gurak has been in hospital and is convalescing from a serious operation. Also Mrs. Lil Curtis has had a cancer operation. Mrs. Archie McEnery is in Georgetown Hospital. The annual meeting of

Ballinafad Community Centre was Sunday Jan. 27. The hall board now consists of the following slate of officers—Mrs. Ann Truman; Mrs. Linda Pabst; Mrs. Marlene Burnett; Mrs. Linda O'Connor; Chuck Portelli; Morley Shortill with chairman Ivan Bird.

On Tues. evening last the board met to make plans. Congratulations to those Acton High School students who attained outstanding scholar standing on this past semester. Miss Susan Jamieson from here was one. Congratulations, Susan!

Mr. and Mrs. Jesse McEnery spent last Sunday at Tara visiting Beth and John Pearson and boys.

Mrs. Lillian Given, Mrs. Ada Kirkwood, Eleanor McLean and Doris Burt attended the 4-H training course for 4-H on Cereals. It was at the former Ligny School which has been converted into an attractive Community Hall. Miss Kathy French is now employed with an insurance firm in Guelph. The men's choir favored with a number at Church on Sunday.

Lionettes

Gloria Sharp of Orangeville was the lucky winner of the Lionettes stocking full of toys and family gifts at Christmas time. Harold McIntyre made the draw for the members on the main street at Christmas time.

Birthdays
The birthday of Mrs. Lena Cleaves was celebrated at the home of Mrs. Bella Perryman with the other sisters attending. Mrs. Ada McLean, Mrs. Beswick and Mrs. Holmes also brother Tommy Allan was able to come. This all took place on Saturday. Then on Sunday another sister Mrs. Viola Crozier was able to come. Mrs. Elva McKinnon, the other sister was unable to attend as she is very ill in Guelph Hospital.

ROCKWOOD UNITED church hall was a beehive of activity last Saturday morning as the Eramosa 4-H homemaker's club prepared for their first session of sewing. Leader Joan Ramsey shows Phyllis Bayne the proper method of cutting as girls at other tables set out patterns.

TRICKS OF THE TRADE are being taught to the local 4-H girls as they move into their ten week session of sportswear from knits. Folding material are Elaine Donnell, Susan Tosh and Karen Nightingale.

Halton P.D. day on Feb. 15

The Halton County Elementary Teacher professional development day will be held on February 15.

Each school has organized its professional activities with the immediate needs of its school community in mind.

A few of the planned activities will include team planning sessions,

development of program, student evaluation, in service conducted by specialists in various educational fields and visitations to schools

outside the county. This format will help teachers to meet the needs of the students of their community.

21 years as W.M.S. president

By Mrs. A. Benton
We extend sympathy to Mrs. Wm. Mitchell in the passing of her sister-in-law Mrs. Wm. Merritt last week. After 21 years as president of Limehouse W.M.S. Mrs. Wm. Mitchell has been made honorary president of the society. Her vice-pres. Mrs. Roughley and now president

has helped her carry on during her illnesses and eye sight problems. Mrs. (Dr.) Stuart Magwood visited Mr. and Mrs. F.J. Brown while here from Alberta for her aunts funeral. Visitors
Mrs. Chas. Hayes spent a few days with Professor Geo. and Mrs. Swinton at Ottawa

recently. Mrs. Cameron of Tatmagouche N.S. is home from hospital with Mr. and Mrs. Vance Langille. We hope she continues in better health. Week-end visitors also included Mr. and Mrs. Wilbert Parls of Toronto, Mr. Lawson Cameron of Mississauga and Mr. Rod Simpson, cousin of Mrs. Langille from Edmonton on his way to Nova Scotia.

Ebenezer

96th birthday for Miss Pointz

By Mrs. Ron McLean
Greetings to Miss Irene Pointz, who celebrated her 96th birthday at Halton Centennial Manor, Milton. On the last Sunday of February, the U.C.W. will conduct the service with Mrs. Don Joss as speaker.

Rev. R. Finley's topic was "Christian Identity." Refer-

ring to the beatitudes, purity means unadulterated. Peace-makers try to make friends between people, who have had a falling out. N. V. Peale told of two women in one of his congregations, who were not on speaking terms. While calling on one, he got her to admit that the other was one of the best cooks in the neighborhood.
