

Limehouse

Shower, 4-H meeting, scouts, cubs in news

By Mrs. A. Benton
Mrs. Hannah submits the Limehouse Group Committee report:
1st Limehouse Group Committee held its February meeting at the home of Mr. and Mrs. Peter Klooster. Ten members were present. Plans were made for another conference and report of plans for another multisite in the spring. Newspaper pickups in the area were again discussed and refreshments were served after.

As a result the Group Committee will again collect papers, strictly newsprint, not magazines or glossy paper. Previous customers will be contacted and anyone else in Limehouse who would like to help winterize the Scout hut please call Frank Hannah at 877-7492.

Each party
The Group Committee held their February euchre in the hall on the 15th and had eight tables in play. High prizes were won by Marjorie Thomson and Gerry Ward. Bev Banish won in the draw to break a three way tie. Lunch was served at the completion of play.

The Cubs had an interesting meeting recently when William Colton from Acton came to tell the boys how to survive in the wilderness. His talk was well illustrated and the boys enjoyed it. Warren Somers, Geoff Creighton and Chris Stansbury have just been invested. Mr. and Mrs. Somers and daughter Elaine, Mrs. Creighton and Mrs. Stansbury were present and put the new scarves on the boys. Coffee was served after.

Gordon Thompson has been presented with his red, green and blue stars as well as his Woodsman badge—well done. Gordon, John Klooster received his 3rd year service bar. Akela Steve Thompson

his 4th year service bar and Raksha Elaine Hannah her first year bar.

On the 17th 16 Cubs and their four leaders left the Scout hut at 10.30 for a hike up the 5th Line, across the Bruce Trail to the 7th Line where they had lunch by the old reservoir. Then they followed the 7th Line through the bush to the Scout hut along 22 Side-road. It was sunny and cold and the boys had fun although one leader and one boy had to leave after two miles because of illness. The hike was six miles long.

Church service
Last Sunday 13 boys and three leaders attended the special church service held in Holy Cross Church in Georgetown for all the Browns, Guides, Cubs and Scouts in North Halton District. This is an annual event held at the end of Scout-Guide week and also coincides with the birthday of the founder of the Scouting movement—Baden-Powell.

On February 27, three more Cubs were invested—Kevin Forster, Tony VanDam and Hugo DeWinter, their mothers being present to present them with their scarves. At the same meeting the Cubs had the pleasure of welcoming Mrs. Sherry Eastwood, a Cub mother and nurse at Georgetown hospital. She instructed the boys on the various requirements for the red star which concerned general health. Coffee was served during the meeting.

Bridal shower
Mrs. Roughley was hostess for a bridal shower honouring spring bride-to-be Eleanor Anderson, on Monday. A few contests were enjoyed and the bride-to-be opened her lovely gifts. The hostess served a very tasty lunch to her nearly 20 guests after.

Old-timers here will be interested that Mrs. Ed Wil-

son, mother of Teddy, who attended the Gibraltar school, passed away recently. She had been in hospital nearly six months. Mr. Wilson, partially crippled from a stroke is with Teddy and family in London.

4-H meeting
The Limehouse 4-H club held their second meeting at the home of their leader, Mrs. W. Kirkwood, six attending and repeating the pledge. Limehouse Bread Basket was the name chosen for the unit. They discussed the use of whole wheat and refined flour and the food value of a kernel of wheat. The leader explained the process of milling flour and the types and classes of wheat flour.

Gwen Kirkwood and Sylvia Snippe assisted in making and serving onion rice and dagwoods. They were good. On March 2 the third meeting opened with the 4-H pledge. They discussed the use of wheat, oats, rice, corn and rye in our food products. Sylvia Snippe and Sheila Anderson helped in making cherry brain squares, and Gwen Kirkwood demonstrated making nuts and bolts. They too were good.

Visitors
Mrs. Johnson of Kenabeek, who moved away from here nearly 39 years ago, called on the James Noble's and Mrs. Mitchell a week ago. Her daughter and husband of Wau-bashene were with her. Mr. and Mrs. L. R. Sinclair visited with the Patterson's on Thursday. They were on their way home to Geraldton after two weeks with Mr. and Mrs. Herbert Sinclair at Taron Springs, Florida.

Communion services will be observed at Limehouse Presbyterian Church next Sunday, March 10, commencing at 9.30 a.m. for that day only.

INDIAN MAIDENS, chiefs and priests, were part of the folk lore pageant presented as the first stage presentation at the newly restored Eden Mills community hall by 2nd brownie pack on Feb. 25. Tents, trees and tom-toms, the setting was terrific and, participating in the show were front Virginia Ritchie, Michelle Wallace, Rachelle Tarrant, and Delia Chesworth, back, Denis Uuldriks, Iona Chesworth and Anne Schwartzberg.

Ospringle

W.I. sees hobbies students' trip

By Doris Fines
A special welcome was extended to the visitors, and members of Ospringle Women's Institute, by the president Mrs. Ed Archibald, at the March meeting on Saturday afternoon at the home of Mrs. Gordon Aitken. Ten ladies were present to enjoy tea and dessert before the meeting began.

The scripture was read by Mrs. D. M. Dudnik. The roll call, being a rare old book of special interest to me, was well responded to, bringing to light school readers and hymn books of the 1880's and earlier.

Mrs. Gordon Aitken was program convener for Education and Cultural Activities. Mrs. Stuart McKinnon gave a very interesting talk on the topic, in which she stated that education has a different meaning to many people, but is really an interest that improves the mind or adds to your knowledge.

Mrs. McKinnon is a person of many hobbies and interests, and brought some of the finished products she had made, such as needlepoint, crewel embroidery, sewing and knitting. Other skills that can be developed are refinishing furniture, music, ballet, mineral or rock collecting, photography, pottery, and a great many more.

BRISBANE PUBLIC school girls played with precision during competition with Centennial public school last Monday. Shots on basket were executed beautifully and coach Jim Ironside was on hand to see his team move into victory.

Slightly out — by 20 years

Oops—the Free Press palmed off information that was a good 20 years out last week.
Sorry—there has not been a shoe store in the same Mill St. location for 70 years. Just 50 years or so.
Long-time residents assure us that Kenney Bros. first had their shoe store around the corner on Main, where the creamery was later. Later they moved into the new building on Mill and it was Eugene Braida who added the addition at the back.

Sorry for our appearance, and inconvenience to our patrons.

Soon our renovations will be complete and we will be able to serve you much better in the future.

IGA

Quality, Service and Value, all at IGA

Award from Ryerson, hall is busy location

By Mrs. H. Shortill
Mr. Murray Jamieson has now completed his course, at Ryerson College, in electrical engineering. He is commended on winning a \$200 award. Murray obtained his University degree at Waterloo University and has spent this current year at Ryerson where he majored in his chosen field. He is visiting this week with his brother Allan at Cornwall.

At the hall
Bulletins for the Community Centre activities have been received. Apparently it is the scene of interesting features, what with movies twice a month, a pot luck buffet dance in the near future, a variety night featuring local talent as well as a Junior Farmers event and a "Hard Times" dance. A spring cleaning day will be in April. We understand that Mr. Russell Snider has again been hired as caretaker. Mr. and Mrs. Dick Shortill accompanied Mr. and Mrs. Ralph Thompson to the Ice Follies on Saturday night where they enjoyed the

pleasant spectacle presented at the Kitchener Arena.

Miss Carol Garton of Pembroke will be spending the winter break week with her grandmother, Mrs. Archie McEnery.

Mrs. Suttie, dear mother of Mrs. Benedetti is in Princess Margaret Hospital.

The project, the U.C.W. accepted on a trial basis is going along quite nicely. Groups of four work alternately in the church kitchen to prepare the luncheon of sandwiches and desert squares and tarts to be picked up around noon. The executive members of Niagara Escarpment meet in their office in Georgetown and have their tasty lunch there. Thursday and Friday of this week were their days of meeting. It was found to be

not too exacting a project for the U.C.W.

The beautiful and varied display of creative stitchery put on by the Ballinafad ladies who took advantage of the course was a joy to behold. Ballinafad Institute sponsored the course, the leaders being Mrs. Jamieson and Mrs. Jessie McEnery.

Much beautiful work was shown and Ballinafad ladies as well as those of other groups excelled themselves. Mrs. Ray Swindlehurst was able to return home and is convalescing after major surgery. Her many friends wish her a speedy return to good health.

We extend our sympathy to the family of the late Mr. Bidwell, who died suddenly after a lengthy illness. The Bidwells live on the ninth line above Ballinafad side road.

Credit Authority executive named

Robert H. Parker, Halton Hills (Acton) was elected vice-chairman of the Credit Valley Conservation Authority at its annual meeting February 21. Chairman Roy K. McMillan, appointed by the Ontario Legislature to serve his 14th year as chairman, presided at the meeting.

Management Advisory Board; James Graham, Mississauga, chairman of Parks and Recreation Advisory Board; Harold Darragh, Orangeville, chairman of Reformation, Land Use and Wildlife Advisory Board; Howard Stewart, Brampton, chairman of Historical Records Advisory Board; Robert Harrison, provincial appointee, chairman of the Water
