Tractor operation new 4-H activity

Over 100 members signed up for the 1974 activities at the Halton 4-H agricultural club. To the 27 first year members, president Jeff Nurse explained the awards and scholarships available for work in the various clubs.

Senior members of each club gave short talks outlining the past year's activities.

Mouth-to-mouth resuscitation was demonstrated by Marcel Zwolman, a Milton District Hospital ambulance operator. He showed the proper techniques on a dummy named Annie.

New club
A new club was introduced, tractor operation and maintenance, with 14 joining. Other clubs and initial enrolments are livestock judging, 12; field crops, 12; all breeds dairy calf, 10; horses, 13; beef calf, 16; Acton calf, 27; Holstein, 31. Some members signed up for more than one club.

Registrations are still being accepted for the various 4-H clubs in Halton, until May 1. Members can arrange to sign up at the first club meeting, too.

Sheridan College will present two 10-week sailing courses—one at the Oakville Campus starting April 16 and one at the Port Credit Yacht Club starting April 18.

GARDEN CENTRE at Moss Hardware opened Saturday with carnations and gardening booklets given away to customers. Icy streets didn't deter Mrs. Russell Patterson from shopping, so Wayne Moss and Diane Charette presented her with a flower.
