

**THE ADVENTURER III  
MODEL C20P133**

The clean, crisp contemporary design of this portable model suits most room decor. The walnut cabinet and control panel is enriched by the addition of just the right amount of chrome to establish contrast. This 20 inch model contains the Modular 4 Chassis found in console models, famous for reliability and service. The base is constructed of heavy chromium plated steel, fitted with smooth rolling casters. Cabinet dimensions: 24½" w. x 19" h. x 18½" d. (Including back cover.) The stand is an optional extra.
