

TRAVEL SERVICE

We offer a complete travel service at no extra cost to you. We make no "service" charges for counselling or booking your travel arrangements. Our income is from commissions on tickets and hotel accommodations, etc. You pay the same price with us as you do if you book direct with the airline, train, ship, hotel or tour operator. We can arrange (at the same price) most vacation or travel arrangements that are advertised anywhere. Our service is to arrange for you the best holiday and travel reservations to suit your requirements. If you deal directly with one airline or tour operator they will only try to "sell" their facilities and not suggest alternate arrangements which may be to your advantage.

Air Flights (Advance Booking Charters) from \$209 round trip Toronto-Britain/Europe are now available to individuals without belonging to a club.

HOWEVER THERE ARE BOOKING DEADLINES — 60 DAYS PRIOR

Air Canada — B.O.A.C. — Sun-tours / Laker-Wardair / Intervac

If you are planning a vacation or other travel arrangements call us for assistance and reservations.
