BANTAM
Today was the last day of bowling for all of Youth Bowlers and what a fantastic and exciting event it was. Bowling for the Bantam championship were the Crabs from the second shift and the Octopus from the first shift. In our first game the Octopus finished with a 53 pin advantage. But the Crabs coach Tina Kennedy cheered on her team for a great comeback to take the lead by 20 pins. The championship was going to be decided by the third game and probably right down to the last ball. The entire bowling alley echoed with cheers and screams as each team smashed down the pins. The final game resulted in a spectacular finish for the Octopus as they won by 41 pins. Kevin Archibald was tops for his team as he bowled an excellent 332 triple. Congratulations must be expressed to the Octopus for their great victory and to the Crabs who gave it a good try and showed great sportsmanship. The bowlers finished off by shaking hands and congratulating everyone.

Meanwhile bowling for the consolation trophy were the Teddy Bears from the first shift. In the first game the Rabbits ended up with a one-point advantage. But the lead changed hands again as the Teddy Bears won the next game to lead the match by 17 pins. Again the trophy was to be decided by the last game. Congratulations to the Rabbits who hopped off to their victory by 43 pins. It was a splendid try by the Teddy Bears, who were a bit short to finish up a great Bantam season.

Final Results, playoff—
Octopus 1000, 931, 1070—3018 winners. Crabs 901, 909, 983—2898.
Top Ten: Ken Archibald 352 (228), Eddy Blomquist 480 (138), Melissa Harris 412 (187), Lynda Knight 407 (141), Peter Hurdle 402 (139), Diane Hickey 392 (140), Marjorie Phillips 374 (139), Bev Baker 373 (128), Pat McClure 365 (103), Gail Koob 351 (128).
Bowlers winning a pin for this week were Tracy Gordon with 41 pins over his average, Richard Blunden with 18 pins over and Rod Kennedy with 10 pins over.

JUNIORS
Coming into the Junior championship the teams were very close from last week. A good total by any team could take the trophy. Going into the final game there was only 160 points between the first and last teams. The Wipe Out bowled a great 3058 total which was led by Susan Thompson with her 604 triple. The Bobcats finished with a 3000 total and not far behind were the Trailers with a 2990 total. But those scores weren't quite high enough to beat the Hot Shots 3238 total. The Hot Shots had a tremendous comeback as they were in fourth position from last week. Ed Couture led his team to victory with a good 579 triple.
Bowling in the consolation division were the Stampede and the Slow Poke. Ronate Voskamp and her Stampede teammates

were just too powerful as they finished with a 3041 total to the Slow Poke 2901 to win the trophy. Congratulations to the Hot Shots and the Stampede and the rest of the Juniors who hollered just as much to make the year an exciting one.

Final Results, Playoffs. Wipe Out 4243, 482, 1124, 1050—7501. Hot Shots 4129, 1084, 1083, 8000—7300 winners. Hobbs 4187, 885, 1007—7187. Trailers 4370, 854, 1012, 902—7338.
Consolation: Stampede 2616, 1010, 1014, 1017—5057 winners. Slow Poke 2245, 1004, 832, 966—5146.
Top Ten: Susan Thompson 664 (250), Ed Couture 519 (232), Gary Pickles 532 (227), Renate Voskamp 535 (227), Laurie Kennedy 514 (228), Heather McEachern 492 (187), Norma Bateman 486 (182), Peter Nielson 488 (184), Joanne Gordon 483 (180), Rob Bouffard 481 (167).

SENIORS
It was a close battle to the end to decide the winners of the Senior division. Janet Storey bowled an excellent 630 triple to lead the Juniors to a 2311 total. The Orfan bowlers were just a little ahead as Brad Martin bowled a fantastic 312 single to pull up their scores. The Juniors finished with a 2274 total. Deb Storey was tops for them with her 333 triple. And last but not least were the Primers who finished off their fantastic season to win the championship trophy with a 2087 total. Heather Wilkinson bowled a spectacular 600 triple to lead them to their victory.

Meanwhile bowling in the consolation division, Marcel Fryter bowled a 648 triple to lead the Hilliards Raiders to their 1919 total. But that total didn't make up for the big lead the Sharp Shooters already had. Congratulations must be expressed to the Sharp Shooters, Primers and all of the Seniors who need this season the spectacular one it was.

Final Results, Playoffs. Primers 3212, 989, 1008, 1027—6336 winners. Bowlers 3073, 865, 1020, 1083—5047. Janny's 2845, 1058, 950, 914—5717. Orfan Annie 2015, 891, 1172, 937—5025.
Consolation. Sharpshooters 2578, 834, 882, 905—5096.
Top Ten: Heather Wilkinson 604 (260), Marcel Fryter 618 (291), Janet Storey 630 (305), Brad Martin 614 (312), Gary Campbell 625 (348), Deb Storey 555 (290), Rick Roher 533 (285), Pat Storey 519 (181), Sherri Phillips 519 (242), Arjo Vryenhoek 510 (203).
Don't forget youth bowlers that the banquet dates are very soon: Bantams May 3, Juniors May 9, Seniors May 10.
That concludes Youth Bowling for another year. On behalf of all the bowlers I would like to thank Ken Hutton, Sylvia Magen, Jon Knight and all of the coaches who put up with us even on those bad days. You did a fantastic job. Thanks for everything. I hope to see everyone again next season when Youth Bowling returns after the summer. See you all next September.

About 1,000 students will graduate from Sheridan College at its sixth annual formal convocation, which is to be spread over five dates in May.

As always, students who have performed with outstanding academic achievement will be awarded Governor's Medals in their respective exercises.

The Milton Heavy Equipment School is expected to graduate 28 students on Friday, May 10, with a morning convocation scheduled for 11 a.m. at the Milton Campus.

On the following day, Saturday, May 11, evening exercises will be for 267 eligible graduates from the School of Visual Arts, and English and Media Studies.

The Dorsel group left Thursday morning and arrived at their destination in the early afternoon. They had good food, good groups, they journeyed a lot and had a lot of fun, but worked very hard. They arrived back on Saturday about 11 o'clock.

Centennial Open House

Acton High School will be celebrating Acton's Centennial by an Open House theme "Yesterday, Today, and Tomorrow". Students and teachers will be exhibiting the learning and teaching approaches of various periods, and taking a look at the history of Acton and its schools. There will be an opportunity to discuss how education has changed, and

what the Acton staff is trying to accomplish.

All interested persons are invited to the display of Acton High's activities, from Drama to Outers, from Art to Computer Science, from Geography to Business Education.

See you at Acton High, Wednesday, May 15. Hours are from 7 to 10 p.m.

Kennedy topic

By Janice Gibson
On April 11, Mr. Gary Murr was at the school. Mr. Murr has a great interest in the assassination of John F. Kennedy and talked to us for about one and a half hours at an assembly in the morning. Students were very interested in his theories for many days after Mr. Murr's visit.

Gary Murr first became interested in his hobby when he read the book "Rush the Judgment" by Mark Lane. The book intrigued him so he

went on to compare this book with others that had been written on the subject. Mr. Murr has done some traveling and written a couple of thesis on his theme.

Now attending the University of Guelph, Mr. Murr is working on his Honours BA in History and Political Science. Mr. Murr has done a great research with the help of Larry Huppman and Perry Adams and Fred Newcomb have written a book on it. The book is now at the publishers.
