April 21: In the first three game block of a nine game series with the total pinfall to count, Desperados with a total of 3394 have taken a healthy lead for the playoff honors. April 21: In the final best out of seven games for the league championship, it was the Silver Creek Shell Service plying the role of David to the Goliaths of the league, Acton Meadows. Like Gabriel, blowing his horn and tumbling down the walls of Jericho, the Silver Creekers blew lustily and loudly to tumble the hopes of the "Goliaths" for another league championship. Silver Creek broke fast from the barrier and before the Acton Meadows realized it, they were two games down. Silver Creek pulled up for a breather in the next two chukkers and Acton Meadows grabbed a double win to even the score. Silver Creek came through with some clutch bowling in the last frame of the fifth game to win by 37 pins and go one up.

Acton Meadows gave it up in the sixth game and with a strong rally grabbed the equalizer by 25 pins to force the issue in a seventh and final game. The Silver Creekers realizing they could upset the pre-series predictions with a win, rocked and rolled their way to a convincing 107 pin win to break the reign of the Acton Meadows as "kings of the alleys." So, to winners and new champions, Bruce Shultz, "Moe" Johnson, Terry Bludd, Peter Gates, Gerry Ward, "Shorty" Lewin and the Home team. Congratulations. While all bowlers contributed to the Silver Creekers' success, the singles of Bruce Shultz 313 and "Shorty" who stood out. Jim Timelicks' 323 was the best solo effort for the Meadows.

**Headpin Heroes**  
We'll clean up the odds and ends we'll start off by apologizing for not making the deadline with our bowling column last week, but things just piled up and we never did get caught up—Lakeview Centre league held their elections for next season's executive and it will be for president (who else) John Dunn, Harry Moyer, vice-president, Marg Dunn, secretary and Marion Storey, treasurer—it's a new baby boy for Jackie and Jim (Triano League) Parkers. Congratulations—one thing we noticed in the very exciting V.B.C. Bantams' playoffs. For the first time in twenty seasons, Tinnie "Mr. Bowling" Masales failed to have a team rolling for playoff honors. He was on hand however to root for all the finalists—with all the leagues having finished their regular schedules, the "Lanes" records are, for high average, Marion Storey 215, Bill Anderson 253, Herb Trile June Bousfield 842, Tom Browning 1022, high single, Janet Storey 375, "Shorty" Lewin 398—that winds it up once again, my friends, so adios, amigos and goodnite, Concord City.
