Limehouse

Plant 1800 pine trees on Indusmin property

By Mrs. A. Benton
The local association met at the home of Mrs. Ronald Claw on May 14 with 11 attending. They enjoyed lunch after the meeting.

We are sorry to report the home of Mr. and Mrs. Clifford McDonald was damaged by fire.

We extend sympathy to Mr. Robert Lindsay and family and the McLaughlin family in the passing of Helen on Sunday morning, May 19.

Graduates
Congratulations to Mrs. Robert Roughley who graduated on May 22 from University of Guelph with a B.A. Sc. degree in Family Studies. (Contributed by Mrs. Hannah)

On the weekend 10 cubs and scouts, two leaders and one mother planted 1800 pine trees on the Indusmin property. This is part of the Indusmin rehabilitation program.

Banquet
The cubs and scouts held their annual Father and Son

banquet in Limehouse Memorial Hall on May 22. Everyone enjoyed the casseroles and pies supplied by the mothers. Warren Crawford proposed the toast to the Queen. Head table guests included the District Commissioner Gord Douglas, Assistant D.C. for cubs Terry Colter, Assistant D.C. for scouts Murray Harrison, Constable Dixon from the R.C.M.P. and Dick Willis a baseball umpire.

Terry Colter spoke about what a cub is, and Dick Willis spoke on the philosophy and rules in all sports. One theory he believes strongly in is that if a fight occurs in a game let them fight it out and then throw those involved out of the game.

Constable Dixon showed slides depicting the last 100 years of the Mounties and then answered questions all night. Akela Steve Thompson presented special mugs to leaders Elaine and Dave Hannah for helping during the past year. Elaine Hannah

presented Baden-Powell badges to cubs Gord Thompson and Doug Hannah for their achievement in obtaining all five stars.

Only seven cubs, two leaders and no scouts were able to attend the supper at Blue Springs for the boys who planted trees in April. The boys enjoyed food, games and songs.
