Acton—Wednesday and Saturday

About 360 bike licenses have been sold so far this spring at Acton town office. Deadline for having them was June 1. Mrs. Lorna Clarke reports a big rush these past few days, especially after school. "Thick and fast," she describes it. Last year the bike licenses were sold at the OPP office. This year the licenses switched to the town office, with the staff here assigned 1,000 licenses starting at number 3,000. They are inscribed Town of Halton Hills.
