Open house

Over 100 mothers visited the Honey Pot Nursery school open house last Wednesday, many of them taking their children who had the fun of scrambling around and adapting to some of the facilities which will be available.

The days have been set up for morning and afternoon programs with morning classes of two or three mornings each week patterned for Tuesdays and Thursdays or for Mondays, Wednesdays and Fridays. Afternoon programs will run through the entire week.

According to Gail Vukovich, one of the organizers of the school, there is limited space remaining for the morning class enrollment. For afternoon classes there is ample placement available, she says.

Golden Age Club

Mrs. D.G. Robertson is responsible for a smaller attendance than usual when 33 members met at Luxton Hall for the evening meeting of Acton Golden Age Club.
