# Reunion at park

By Mrs. Hon McLean  
The 21st annual Ronald family re-union was held at Mohawk Park, Brantford.

Rev. Russel Finley celebrated communion at the three churches.  
We can learn history from the biographies of great people. Jacob was a microcosm of life itself. Jacob was a supplanter from birth. Jacob was the home type, who tricked his brother, who was the outdoor type. Esau was tricked into losing his birthright, which meant a great deal in those days.

When Father Isaac was dying, Jacob and his mother tricked the old man. Nothing could alter a dying blessing. Esau was so angry, Rachel told Jacob to go to visit Uncle Laban in Haran.  
Laban and Jacob were a pair. In an agreement over the division of their stock, Jacob was to get the dark-colored. By clever interbreeding, Jacob made so many of the cattle turn dark, that Laban was nearly bankrupt. The first meaning of the Mizpah benediction, "May the Lord watch between me and thee, while we are absent one from the other" was, "We can't trust each other, so only the Lord can keep an eye on us, when we're apart."  
However, Jacob is saveable and sorry. After his struggle with the angel, his name is changed to Israel, which means "Prince of Peace." After you have wrestled with God, forget your mistakes; you are saveable, too.  
John Newton went to Africa so he could sin to his heart's content. There was nothing as low as John Newton. Would you believe he wrote "Amazing Grace"?

Mrs. Usher of Sault Ste. Marie is spending a week with her friend Mrs. Forster, Sr. and family.  
The grim reaper  
Long time residents of the neighborhood will regret to hear of the death of a beloved friend of past years. Mrs. McLean, widow of Rev. Kenneth McLean, passed away at Cumberland Nursing Home near Ottawa on June 9 and was buried at Exeter on June 11. She and her husband ministered at Limehouse and Georgetown Presbyterian churches from 1925 to 1930 when they were called to Wingham.

# Millionaire night enjoyed by community

by Mrs. R. Shorthill Sr.  
The ladies of the U.C.W. enjoyed the hospitality of Mr. and Mrs. Delbert Linstead for the regular meeting on Tuesday evening, June 18. There was a good attendance. The president Eileen McEnery opening with a suitable thought.  
Minutes were read by the secretary Mrs. Evelyn Snow. Business discussions included the request for transportation of used clothing, already packed; the two church services for July, the first to be July 7; luncheon to be prepared for the week, repairs to the church outside, painting etc., as well as the purchase of more service books.  
Roll call was answered by each member showing a keepsake with a family connection.  
The devotion was taken by Margaret Jamieson.  
Delbert accompanied the singing of hymns, on his electric organ.  
The meeting was then in charge of Alma Sinclair. Members had handed in queries for discussions and clarifying by Rev. Stiles. This proved very interesting and enlightening. Rev. Stiles had served in a French pastorate in Montreal in one of his previous parishes. He most assuredly had splendid answers to questions.  
Mrs. Madill and Mrs. Marshall served lunch. Mrs. Linstead (Sr.) has been spending a few days with Marilyn and Delbert. Her home is in Listowel.  
The annual picnic was held at the home of Mr. and Mrs. Sales on Sunday. Service was followed by the usual picnic activities with lunch. All enjoyed the hospitality of the home of Mr. and Mrs. Sales on the ninth line.  
Another house has begun on the 20 acre field above the French area. That makes three houses being separated and built there. It's amazing how some of these deals are accomplished.

The Hull's family reunion was enjoyed at the Community Centre on Sunday. This is an annual event when members of this family meet together. Mr. and Mrs. Frank Smith and family, Mr. and Mrs. Albert Smith and family and others from near and far. A bus load of ladies enjoyed a trip to Black Creek Pioneer village on Thursday. The trip was sponsored by the Women's Inst.  
A big Saturday night frolic

labelled Millionaires night took place in the hall. All enjoyed a barrel of fun.  
People of the neighborhood met at the home of Mr. and Mrs. Ernie McEnery on Wednesday morning to meet Dr. Philbrook and enjoy coffee. One crop which has thrived on this wet weather is weeds—rank growths wherever you look.  
Mrs. Ada McLean has been spending the past few weeks with Mrs. Deswick in town.

# new feed grains policy

The federal government's new Feed Grains Policy becomes effective August 1, 1974. Whether you are a producer or user, the new policy is designed to meet your needs by:

- providing a fair and equitable base price for feed grains across Canada;
- encouraging growth of grain and livestock production according to natural potential;
- maintaining order and stability throughout the grain and livestock sectors.

**MAIN FEATURES:**

- farmers will have direct access to feed grains in all parts of Canada; buyers are free to shop for the best bargain, sellers are free to find the best price for their crops;
- a nation-wide information system through the Canadian Livestock Feed Board will keep everyone informed on selling prices across the country;
- the Canadian Wheat Board will continue to be the sole buyer and seller of feed grain for export market;
- prairie producers have the choice of selling their grain to the CWB or to others on the domestic market;
- cash advance payments and initial payments, similar to those provided to Prairie grain producers for many years, will be extended to growers across the country to encourage feed grain production;
- a new storage program, costing the federal government \$40 million a year, will be instituted to provide for security of supplies for Canadian markets; it will also lead to additional grain storage on the West Coast, in inland terminals, on the Great Lakes and the St. Lawrence and in the Maritimes;
- steps will be taken to bring into balance freight rates between meat and grain; this will progress according to trends in grain and livestock prices, and the degree of regional self-sufficiency in grain production.
