

A DRAIN GOES in on Mill St. as the town grows and prospers. A. T. Brown took this picture in 1898.

FOUNTAIN at H. P. Moore's house on Church St. was photographed in 1900. Moorecroft is now the home of Mr. and Mrs. W. J. Beatty

ORIGINAL CENOTAPH had side wings added after World War II. Spire of St. Joseph's church is seen in the background.

ACTON STREET plan from the county atlas of 1877.

"SMITH" is recorded as the name of this bearded work man who helped install the Mill St. drains in 1898
