

SCHOOLS

MISS McNEALY'S school room was photographed December 16, 1898 by A. T. Brown.

ORIGINAL STONE school was left behind when fine brick addition was added

COMPARED TO today's classrooms this was a drab one. The pupils sit primly, hands behind their backs for the photographer with principal W. H. Stewart at the back. Identified in the group are Bobby Stewart, Melvin Williams, Olive Mowat, Joe Swackhamer, George Anderson, Phyllis Clark, Marguerite Stewart, Roy Brown, George Agnew and Alice Johnston.

THESE DISTINGUISHED looking gentlemen made up the 1927 Acton Public School Board. Standing from left: J. P. Scarrow, R. J. Ramshaw, E. Beswick; sitting from left: George H. Hall, C. H. Harrison, chairman, George R. Agnew.

PUPILS OF THE late Robert Little held a reunion, and gathered around his tombstone in Fairview cemetery for a group portrait.
