BUT WE'RE PROUD

to be here and proud of the reception people in Acton have given us

IT'S A FACT

that Moss Pro Hardware caters to your individual needs

AND WE CAN SAY

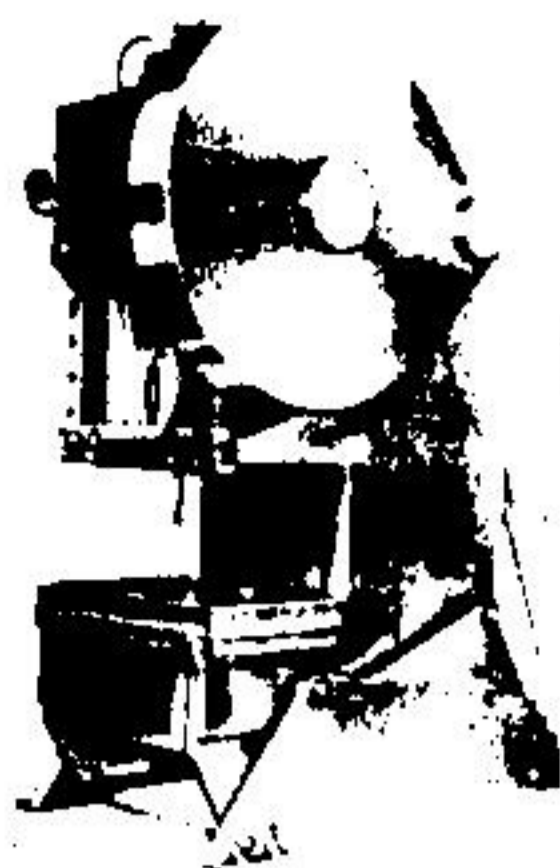

We're going to be here for years to come

SO WHY NOT

Drop in during our town's centennial and meet Wayne, George, Cecile and Diane, if you haven't already done so?

Congratulations **ACTON**

Many changes have taken place during the past 100 years. Likewise, during our past 28 years in business our facilities, equipment and service have improved immensely.

Jack Ridley and Staff

It's a pleasure. . .

Yes, a real pleasure to be one of Acton's thriving businesses.

Acton's founders worked hard to put this town on its feet and would have enjoyed watching it grow by leaps and bounds.

We deem it an honour to be one of the small cogs in the wheel of progress which has turned Acton into a bustling centre.
