**SUZUKI**  
 Why? 1. To start with, Suzuki was the only one of the 'big four' whose prices did NOT go up this Summer! 2. It's your last chance to get a top quality, fan-famous Suzuki at great new special prices! 3. Although Suzuki Dealers have had their best sales year, there's still a fair selection of '74's. (The new '75's are coming early at higher prices!) 4. If you ever thought of buying a motorcycle the time is now! You can get a World Champion Suzuki at prices you'll never see again!
