

Move to New Zealand reunion, visits news

by Mrs. R. Shortill Sr.

Miss Anne Shepley of London, England is visiting Mr. and Mrs. Geoffrey Holt. Miss Shepley is a dear friend of Mary's who studied pottery with her at the London University. They are having an interesting time together visiting and working at their ceramics.

Mr. and Mrs. Russell Henderson and Miss Ione Oakes of Mimico visited Mrs. R. Shortill on Thursday, Miss Oakes remaining for a few days with her sister.

Mr. and Mrs. Reg. French and family spent a few days at Niagara visiting Marine Land and other surrounding areas.

Also Mr. and Mrs. Dan Shortill, Mr. and Mrs. Dick Shortill and Mr. and Mrs. Ralph Thompson spent Saturday at Niagara also enjoying the beauty spots.

We were sorry to know of the passing of Mr. Earle Marshall. Sympathy is extended to members of his family and his friends.

New Zealand residents

Mr. and Mrs. John Hancock, Carolyn and Gregory left from Milton Sunday morning for Los Angeles. From there they will take the boat for Auckland, New Zealand. The Hancocks plan to take up residence there. Brenda has been a very efficient public health nurse for the Wellington County, Erin and Eramosa, for the past several years. John has been employed by Graham products in Georgetown since

their marriage. His home was in Ireland where his family farmed extensively.

Shower

Several from Ballinafad attended a shower at the home of Bill and Karen Smith, Acton on Sunday afternoon. It was to honor the affianced lady who soon will be the bride of Mr. Murray Jamieson.

Rev. Stiles in the pulpit on Sunday commented on the recent selection of Rev. Wilbur Howard our new United Church Moderator. He expressed the assurance that with Rev. Howard as Moderator the leadership will be in excellent hands for the next two years. Newspaper comments have expressed similar confidence.

Rev. Stiles based his sermon on the ups and downs of David's life as illustrating the fact that God forgives sinfulness, not on a "wholesale" scale but conditionally where there is true repentance. He took as his second lesson the parable of the Pharisee and the publican who went into the temple to pray. Are we like the Pharisee who exalted himself in his prayer to God or do we humbly pray to our Maker, hoping for His love and forgiveness.

Mrs. Willa Shortill was at the organ.

Two more Sundays and Sunday School will resume. St. Andrews will soon have their new Church completed and hope to have Rev. Howard as guest speaker.

Reunion

Many relatives of the Lawr family gathered at the

Community Centre on Sunday to enjoy a reunion. Games and acquaintance renewals made a pleasant day for them. Guests were present from Toronto, Port Hope, Shelburne, Belfontaine, Glen Williams, Guelph and Ballinafad to the number of seventy.

Our Community Centre is a busy place. There was a wedding and reception there on Saturday. The caretaker is kept busy with all these functions.

Mr. and Mrs. Dan O'Connor and family spent the weekend camping at Driftwood Park near Clifford.

Mr. and Mrs. Jesse McEnery have been entertaining several members of their families, among whom was her brother Rev. Dampier from Tennessee. Summer time is "get-together" time for so many families and how wonderful are these joyful reunions.

Gratitude

Mrs. Lawr has received a letter of thank you for our U.C.W. who sent a parcel to the stricken area at Bonavista Bay, Newfoundland. They wrote expressing their gratitude for our generosity and most of all for the Christian thoughtfulness. Their harbour is still full of ice which destroys the salt water fishing as glacial ice is not salt, so their plight is a sad one. The cold temperature also hinders the growth of garden crops.

Mr. and Mrs. Lloyd Marshall visited on Sunday with Mr. and Mrs. John Cole, Guelph.

HALTON'S DAIRY PRINCESS Joyce Wilson, Hornby was eliminated from the Ontario Dairy Princess competition at the CNE Tuesday night. Wellington and Grey County representatives won Tuesday's preliminaries and advance to the semifinals later this week. Ten girls competed last night and winners were chosen on an interview, a speech, their deportment and a cow-milking contest. Ontario's new Dairy Princess will be selected Friday at the CNE Coliseum.

Med. centre

Using electricity wisely isn't just a matter of avoiding waste.

Being watchful to avoid the frittering away of kilowatt-hours is everyone's concern, in the interest of economy and conservation of valuable energy resources.

But for some people, living in older homes with outdated wiring, restricted use of appliances is not always a matter of choice. They do not have sufficient circuits to serve normal needs without resorting to 'octopus' outlets and extension cords. The result: overloading and blowing of fuses.

These conditions also tend to diminish the performance of appliances and shorten their life. Inadequate wiring is not only inconvenient, it can be a safety hazard. If you have any doubts about the capacity of your home's wiring have it checked by a qualified Electrical Contractor. Then, use electricity wisely... and safely.

in the southern part of Milton. He pointed out the Oakville official plan had always designated that land for agricultural use and he noted the town of Milton which now has the land within the new town supports the official plan of Oakville.

Too broad?

Halton Hills Councillor Len Cox and Burlington Mayor George Harrington were concerned that the region would not hang itself in a broad policy statement and find it was unable to develop land because of a policy statement made to the province. The

resolution was amended to clarify the intent. The

New hope for Norval

Norval ratepayers emerged with prospects brighter for the reopening of Norval School, after a meeting Tuesday night with Halton Board of Education trustees.

Trustee Doug Wood admitted he had entered the meeting almost convinced the school should be closed but was less convinced when the two hour discussion ended.

Julian Reed of Norval seemed to strike a responsive chord when he described the whole community involvement in school activities.

Mr. Wood said, "I wanted your kids to have all the advantages of a bigger school but you seem to feel the small school offsets them."
