

ROCKWOOD ROCKETS peewees won the championship of the Acton Minor Soccer peewee league over their arch-rivals Rockwood Spitfires. Champions are Bob Allerlerie, Dave McPhedran, Ken McQuinn, Kevin Murdock,

David DeVries, Matthew Milton, Laurie Smith, Rick Gooyers, Bob Hudson, Brian Bilton, Paul Bilton and James Milton, Tom Mance. Rocket coach is Greg Mance.

Angels, Rangers, Rockets named minor soccer champs

Angels, Rangers and Rockwood Rockets captured the championships in the Acton Minor Soccer Association house leagues this season. The championships were decided at the windup day at the high school field Saturday, September 28.

Tommy Mance scored on a penalty kick in the first half to give Rockets their 1-0 championship game win over the Spitfires. It was a very

light game with Rockets carrying play in the first half, but Spitfires coming on strong in the second half.

Rockets lost only one game during the regular season and finished on top of a round robin playoff series with only one loss, that to the Spitfires. The Rockwood teams worked out in the gym of Rockwood school all winter to prepare themselves for the season. Rockets made a special

appearance at the CNE stadium in Toronto during the summer to play an exhibition game prior to a National Soccer League game.

Angels took the squirt championship with a 2-0 win over the Tornados and Rangers blanked Rockwood atoms 2-0 to cap the atom championship.

In other exhibition games played on the championship day Raiders beat Dynamoes

4-3 and Hornets 2-1. Dynamoes nipped Hornets 2-1. Bombers beat Centennials 3-0 and drew 1-1 with Rovers. Rovers tied Centennials 0-0 and Tigers knotted up with Falcons 1-1.

All players received pop, a hot dog and a crest. Special mention should be made of the work of Mike Worthington and Ralph Swarth in making the 1974 soccer season a success.

RANGER CAPTAIN Emil Milnerovic accepts his team's trophy from Audrey Hudson.

Sabres sign seven more

Acton Sabres signed seven more players for the coming Junior "C" hockey season this week, bringing to 13 the

number of players who will definitely be sporting the new Sabre blue and orange colors this season.

Cost of crests a bit high-Levy

Hilton Hills finance committee looked favorably on a request from the Acton Atom Hockey Association for a donation to help defray the \$250 cost of crests, but thought the price was a bit high.

Councillor Harry Levy stated there were 44 teams in the Bantam tournament and crests for all cost just over \$300, while the cost for 16 teams in the Acton Atoms was estimated at \$250.

The letter said the first annual Acton Atom hockey tournament would be held December 27, 28 and 29 to help Acton celebrate its centennial.

Sixteen teams of boys between the ages of nine and ten will participate, and each will receive a souvenir crest.

The letter from Frank Allsup, R.H. 3, Rockwood said trophies would be presented to the championship team and smaller trophies to the winning players.

The finance committee said they were not opposed but would have Councillor Levy follow it up.

Raiders scrimmage Orillia

Georgetown Raiders scrimmaged against the Senior "A" Orillia Terriers at Georgetown Memorial Arena last night (Tuesday) in preparation for their OHA Intermediate "A" league opener against the Port Colborne Sailors, Friday, October 18.

Raiders have signed some holdovers, but it is evident the

management is awaiting cuts at semi-pro and senior training camps before they make final decisions on the signing of imports.

Goalie Keith Pallett is recovering from a hand injury and it appears either Bob McArdle or Charlie Mousseau will start the season in the Raider nets.
