Fall tour for group

By Mrs. D. G. Robertson

The annual fall bus tour of the Golden Age club was held on Tuesday of last week, when 41 members boarded the bus, destination Ningara Falls. In spite of rain showers, hall and gusty winds, enthusiasm was high as the bus left town.

First stop was Welland, where the locks and boats intrigued all. On towards Ningara, a brief stop being made for lunch and browsing through a supermarket. Once again on the go, to the Falls and the many souvenir shops.

The accusation came after the balance. Burlington Councillor Dave Coons questioned an account of \$164 to cover the cost of lunch and drinks for 21 regional solicitors. Halton hosted the recent seminar.

Coons objected to the fact the solicitor had attended the conference without permission of council and the account had been paid prior to submission to the council.

"General" Harrington claimed the solicitor had not included convention expenses in his budget. Treasurer Don Farmer said there was an amount in the budget but it was included under general expenses.

Harrington said that had the administration committee been aware the amount was there at budget time, he was sure it would have been deleted.
