“...very helpful because it gives the reader an overview of the total market you serve...”

That's the word of a reader of the weekly Marketplace who notes he has been looking for real estate and found the Marketplace a helpful service. It was an unsolicited letter but the kind we're very happy to get. The Marketplace goes into about 18,000 homes every week as a section of your community newspaper in Milton, Georgetown and Acton. It gets the word around for real estate brokers on what is available in central and north Halton. Readers from out of the area are picking up more and more copies regularly because of the helpful nature of Marketplace.

For complete information on advertising in the pages of Marketplace, brokers are invited to contact us at
