

# Youngs take first place

It was a tough rally through rain and fog, and a two mile footlog on the Bruce Trail, but Neil and Mary-Lou Young emerged the winners of the G.T. Motorsport Club rally held Sunday afternoon.

The rally started at Cedarvale Community Centre, and ended some hours later with a party at a member's house, where wet muddy feet and clothes were the dress for the occasion.

Neil and Mary-Lou Young were acclaimed the winners of the club championship. Lee Ursel and Glenn

Broomhead in a Toyota came second in the rally. Vern and Linda Dale-Johnson in a Volvo station wagon took third spot. Geoff Hirschback and John Eckersley in a Ford came fourth. Rob and Marie Chambers in a Monte Carlo came fifth. Geoff Walker and Tom Toder in a Dodge came sixth and David Craig and Elizabeth Hannister in a Volkswagen came seventh.

Heather Buchanan and Paul Youngblut in a TR6 lost his muffer on one of the many bumpy roads, and fixed it temporarily with a dog leash.

HEATHER BUCHANAN and Paul Youngblut receive their sealed instructions from rally organizer Larry Broadfield, before they start out in their TR6 on the G. T. Motorsport Club rally, Sunday.

# Goblins out but no harm done

By Mrs. A. Benton  
Messrs. Joe and Bill Brooks flew to Kentucky on Thursday to attend an Allis-Chalmers machinery show as guests of that company for which they are agents.

We regret to hear that Mr. Horst Hawk will be hospitalized in Tennessee, U.S.A. for several weeks with serious back injuries following a motor accident there. We hope for his complete recovery.

Mesdames Roughley, Patterson and Benton attended the Fall Rally of Brampton Presbyterial of the W.M.S. at the Presbyterian Church in Streetsville on Monday eve last week. Miss Beatrice Scott, retired missionary from India, was speaker and showed slides of the mission field.

Mrs. Weber, president of Brampton Presbyterial was guest speaker at Limehouse W.M.S. thank offering

meeting on Sunday evening. She told us that she was our representative at Synodical meetings and related some of the history of Women's Missionary Societies in Canada. She said the people in far Japan offer prayers of thanks to W.M.S. members here. She went on to tell of Thanksgiving, calling it thanks living, or gratitude in action and that gratitude recharges the soul. She read the poem Daffodils at the end. Mrs. Weber was introduced by Mrs. Benton and thanked by Mrs. Roughley.

Pres. Mrs. Roughley chaired the meeting, relating the purpose of the W.M.S. to unite women, girls and children of the church in Prayer, study and service for the advancement of the Kingdom of God at home and abroad. Her opening remarks, Mrs. Sanford read Scripture and Mrs. W. Kirkwood led in Prayer. The

church choir accompanied by organist Mrs. Roughley sang two appreciated anthems and led in hymns. Rev. P. Barrow pronounced the Benediction and said Grace.

All enjoyed a dessert lunch

convened by Mrs. Crichton and Mrs. Patterson after. We are pleased that Hallowe'en passed quietly. There was a large number of young goblins about but we have heard of no damage.

# "Sold out" sign up when 450 diners fed

By Mrs. R. Shortill Sr.

Mr. and Mrs. Earle Near visited Mr. and Mrs. Dan Shortill on Sunday.

Hallowe'en night was fairly quiet but police were called to the hall area where cars were being pelted with apples and where youngsters were trespassing on cemetery and hall property.

The annual fowl supper on Saturday night proved to be a happy meeting place for old and new friends. I am not sure of the numbers but at 6 o'clock 350 tickets had been sold and people were still coming and finally, at 420 tickets a "sold out" sign had to be put up.

Mr. and Mrs. Dick Shortill, Karen and Mark moved into their new home on Saturday. With the help of kind relatives and neighbours the moving was completed in time for them to enjoy their evening meal in their new home.

Their farm has been sold.

A Hallowe'en dance was held in the Community Centre on Saturday night.

Mrs. Himes visited the Law family on the weekend and enjoyed the supper at the church, renewing old acquaintances. It was gratifying to see many former people of Ballinafad, as well as folks from neighbouring towns. We were sorry to disappoint the late comers.

Changes  
Doris and Wally Ella moved into the Retzel house

but transferred after one month.

According to Gary, Acton, Milton and even Toronto are "pretty quiet as compared to my home town." He thinks the people in this area are very friendly, and he likes them all.

The two boys were home for Thanksgiving but won't be back until Christmas. They are 500 miles away from home, which is pretty far to go for a weekend.

on the town line on Saturday. This house had been the home of Mr. and Mrs. Charles Plouffe, Jr. for the past several years.

Mr. and Mrs. Allan Swindlehurst have moved from Ballinafad to Erin apartments.

Mr. and Mrs. Andrews have rented the Mitchell apt. they vacated.

# All Saints Sunday

By Mrs. R. McLean  
Mr. Finley spoke about All Saints' Sunday. The Celtic tradition began the idea, with overtones of paganism. Many are reticent to talk about the saints. What is a saint? It is people who live every day, confronted with problems. A saint longs to give himself to something higher. There is the story of the little boy who went to Sunday School and returned with his quarter not given. When asked why, he said that he didn't see anything he wanted.

We are always seeking, only satisfied with the real thing, the presence of God. Saints in the making have a rendezvous with God. Among the saints of our day is Father Camara, of Brazil, who will probably be assassinated for daring to speak out against the regime. The marks of sainthood are dedication and ambition.

## Manitoulin residents at Sheridan College

The Sheridan College Milton Heavy Equipment campus has two unique students. Gary Eshkawkonak and Lloyd Recollet from Wikwenikong on Manitoulin Island are taking the first year of the two year course called heavy equipment construction techniques program.

In this course, they learn about the different kinds of equipment, such as the John Deere 450. This is a front end loader with tracks. They also study and use the Hough 60, which is similar to the 450, but running on wheels.

Gary and Lloyd are living in the Dominion Hotel in Acton and commuting to Milton each day. They originally went to Sir Sanford Fleming College in Peterborough, in the same course,

## Guard rail on 22 Sideroad

Overruling a recommendation from the works committee, Halton Hills council, in committee of the whole, Monday night recommended a guard rail be erected on a hilly portion of 22 Sideroad between the Seventh and Eighth Line.

Councillor Len Cox chairman of the works committee was the only member of that committee who favored the guard rail. He said there was a deep ditch on one side, and claimed the guard rail was necessary.

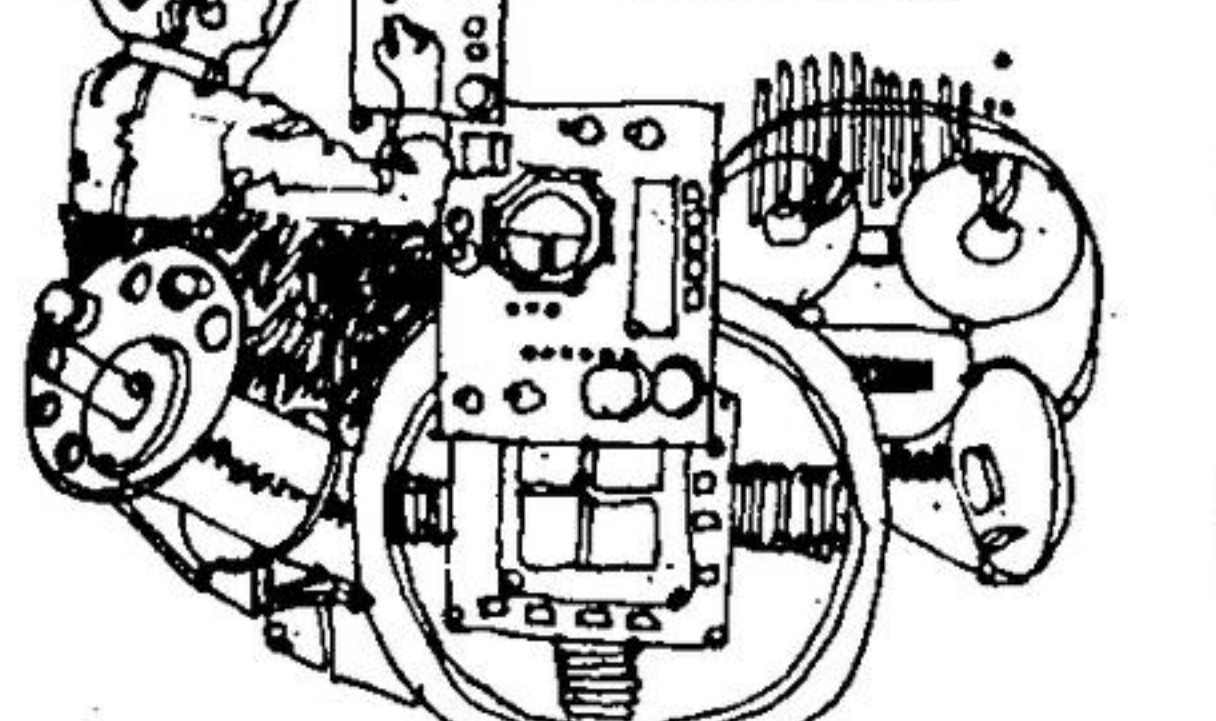

Councillor Ern Hyde pointed out the town engineer said it was not necessary.

Councillor Russell Miller who lives on that road, said it was a bad road with a sharp turn at the bottom. He said there is no other way for residents to get out since there is a hill both ways, and is dangerous in the winter time.

## Quiet Hallowe'en

Hallowe'en was unusually quiet in the North Halton O.P.P. area. There were a few calls of fires on fire, suspicious persons and mail boxes torn down.
