**Merchants draw**

Another lucky pair will be getting to sunny Nassau at the end of the Acton merchants' promotion just before Christmas.

That's the top prize in the new draw, being started next week. Last time the merchants had a similar draw was in March, 1971. Mr. and Mrs. Bob Ashby, then living on Cobblehill Rd., were the big winners.

See advertisements for full details of this pre-holiday promotion. The merchants expect to encourage local people to shop locally, by giving the extra incentive of a trip south as a Christmas present.

—Local employees of American Motors in Brampton are back to work following a strike that lasted close to two months.

—Students had a holiday Monday for Remembrance Day.
