

Reduce speed limit

During a meeting Halton Region's Public Works Committee Thursday the committee:

—Approved plans to rent an additional acre of land from Standard Industries in Halton Hills landfill site for \$1,800 a year.

—Approved the closing of a road allowance between concessions six and seven in lot 19 of Halton Hills, formerly Esqueing.

—Approved reduction of a speed limit from 35 miles per hour to 30 miles per hour on Guelph St. through Glen Williams. Additional advisory signs would be posted at certain locations, indicating motorists should slow down to 25 miles per hour.

—Agreed to provide a by-law that would prohibit cars from stopping in front of a farm market on Trafalgar Rd. between Lower Base Line Rd. and Britannia Rd. That site was the scene of a fatal accident in April. Citizens in the area requested the sign and asked that a 40 mile zone be established there as well. That request was supported by a coroner's jury. The committee turned down the latter request on the advice of engineer Bob Bailie who suggested the lower speed limit wouldn't reduce accidents in the area.

To crown princess

Joyce Wilson of Milton, who was acclaimed as Halton's Dairy Princess for 1974-75 last week, will be officially crowned at the Halton Federation of Agriculture banquet on Dec. 4 at Hornby. Joyce, last year's Halton Princess, was the only entrant in the new competition and the executive decided her excellent performance as Princess last year had earned her a second chance at the Ontario Dairy Princess.

Budgets start now

Halton Regional Treasurer Don Farmer hopes to have the 1975 budgeting process underway almost immediately, with a view to finalizing the budget by April 15.

Area municipal treasurers will be asked to draft five year capital forecasts and have them to the region treasurer by the end of December. He hopes to have the five year forecasts ready for review by the committee by Feb. 28.

Last year in the first year of regional government budgeting wasn't completed until the summer.

Name two scholars

Halton Federation of Agriculture recently announced the winners of two \$100 scholarships, offered each year by the HFA to deserving students.

One winner is Paul Laidlaw of R.R. 2 Norval, who has entered the diploma course at Ontario Agricultural College, Guelph. The other was Dawn Keeley, 1940 Waterdown Rd., Burlington.

At Mohawk

Two Sheridan College women will compete with four other college and university students in the first Intercollegiate Harness Driving Championship at Mohawk Raceway, Campbellville, Friday, Nov. 22.
