

SWITCH TO FABULOUS COLOUR

by **RCA**

A beautiful low price on a beautiful way to watch TV! And it's so easy to do—RCA's AccuMatic color control locks in perfect life-like color with just the touch of a button—even a child can operate it. Here are some other important reasons for you to view:

- powerful 22,500-volt 'AccuColor' chassis
- 'AccuMatic 2' color and tint control automatically locks in a perfect, life-like color picture...and still allows small personal adjustments
- Phosphor Dot screen with "perma-chrome" for superb life-like color and clarity.
- UHF/VHF rotary tuning
- 3.5" speaker for a crisp clear sound
