**MATCH  
 STEEL-BELTED RADIALS  
 ON THE FRONT WITH  
 MICHELIN  
 STEEL-BELTED  
 WINTER RADIALS  
 ON THE BACK**

The rigorous quality control testing which every Michelin tire undergoes, ensures the maximum in driving performance . . . a steel-braced tread delivers snow-biting traction for sure starts, safe stops and road hazard problems are virtually eliminated. Since all steel-belted winter radials cost about the same, it makes good sense to ask for MICHELIN . . . THE winter radial leader.
