

Legion town league tallies

PEEWEE
Springfield drubbed Baltimore 8-2 with Dennis Kirton and Todd Cook scoring two goals apiece. Matthew Dupuis, Brian Holmes, Marty Colterton and Dave Lawson tallied single goals. Bill McKenzie and Derrick Neely replied for Baltimore.

Lance Alton fired a hat trick to lead Cleveland to a 6-3 win over Rochester. Dave Mitchell, Don Brouillard and Mitchell again added singles. Rick Gooyers had two goals and Steve Hepburn one for Rochester.

ATOM
Hamilton downed St. Kitts 5-3, as Paul Nolan scored twice and Lormer McGinn, Robin Mikker and Jeff

GHS swimmers swamp Acton

Acton High's newly-formed swimming team showed great improvement, although it was swamped in a dual meet against Georgetown here Thursday.

Individual Acton times were anywhere from five to 15 seconds faster than they were in a previous meet against the same Georgetown team December 14.

Cathy Masson sparked the Georgetown victory with three firsts. She won the girls 100 metre freestyle, 100 metre backstroke, 100 metre butterfly and 50 metre butterfly.

Paul Carter of Georgetown won the boys 100 metre freestyle and 100 metre backstroke.

Pauline Heaton took first in the girls 100 metre freestyle and John Girvan first in the boys 100 metre freestyle.

A Van Raven of Georgetown was second in the boys 100 metre freestyle and David Pendergast of Acton third.

Acton shows well in badminton match

Erin, Milton and Acton have formed a badminton league (E.M.A. Badminton Association) and on Sunday, January 26 held their 2nd meeting of the year, at Milton School for the Deaf. The competition was strong and an enjoyable afternoon was had by all. The tournament ended with Acton winning 4 finals out of a possible 9.

Results were as follows:

MENS DOUBLES "A"—Hugh Patterson and Glen Wilson were defeated in the finals by Erin 8-15, 3-15.

MENS DOUBLES "B"—Vic Morris and Mike Bullock were placed, first in the finals, defeating Erin, 11-15, 15-7.

LADIES DOUBLES "A"—Marion Patterson and Sue Bullock were defeated by Erin and Milton and placed first in the Consolation.

LADIES DOUBLES "B"—Genevieve Leslie and Lydia Dudnik were defeated by Milton and Erin.

MIXED DOUBLES "A"—George Williams and Chris Steen were placed first in the finals, defeating Erin 15-5, 15-10.

MIXED DOUBLES "B"—Klaus Truderung and Dilly Stanbridge were also placed first in the finals, defeating Erin 15-4, 15-8.

The Acton Badminton Club is always interested in any new members. Club nights are Mondays and Thursdays at the M. Z. Hennett School 7-10 p.m.

ACTON'S Anne Smith takes off in the girls 100 metre freestyle event. Acton swimmers showed marked improvement, although Georgetown won all events in Thursday's meet.

Legion tournament here Feb. 15 - 16

Teams from Acton, Centreville, Preston, Elora, New Hamburg, Georgetown, Hespeler, Beamsville, Streetsville, Oak Ridges, Ancaster, Niagara-on-the-Lake, Barrie, Orangeville, Merriton and Listowel will vie for honors in the 6th annual Acton Legion Minor Hockey Association pee-wee house league tournament here Saturday and Sunday, February 15-16.

Tournament chairman Alan Hall reports his committee has had the best response ever from teams wanting to enter the tournament. This year there will be an "A" and "B" division with the respective champs meeting for the grand championship.

Alos on the committee are John Toebes, Kerwin McPahil, Jim McKnight, Ron McKnight, Ab Irwin, Gord James and Barry Insoce.

Major atoms split a pair

Acton A-B Supermarket major atoms blanked Elmira minor atoms 3-0 last Tuesday night, but lost 2-1 to the Elmira major atoms here Saturday afternoon.

Robbie Vermullen scored his 13th goal of the season and Tim Ferguson his 7th in the Tuesday win. Mike McRae also scored for Acton, while

First win

Acton CFAW midgets chalked up their first win of the Waterloo-Wellington league season, when they edged first place Fergus 2-1 here last Tuesday night.

Outstanding goaltending by Mark Williamson, who saved many sure goals and good efforts by Scott Withers and Joe Gardin were key factors in the win.

Gardin scored from Withers and Ricky Holmes in the second period for the winning goal. Rick Van Fleet netted the first Acton goal from Gardin and Holmes in the first period.

"The guys played their best hockey of the season," said coach Bruce Sears. "They outskated Fergus at every turn."

Lords top the Redmen

Burlington Nelson High Lords swept a mid-junior basketball twin bill from Acton High Redmen here Thursday.

The Nelson midgets found Acton a surprisingly tough opponent before they finally won 65-60.

Nelson juniors won 93-48. Paul Bowen scored 26 points for the Acton midgets. Don Coats added 16, Pete Ziems 10, Gord Bruce and John Nessel 3 each and Jim Matthews 2. Gene Brada was top defensive player for the Redmen.

Brian Larsen hooped 14 in a losing cause for the Redmen. Dan Webster and Rick Van Fleet had 8 each. Mike McGregor and Marvin McNabb 4 apiece. Dave Mills 3 and Peter Tatton 2. Larsen played a fine defensive game.

The midgets are now 2-2 in Halton high schools conference play, while the juniors are 0-5.

FACTS ABOUT CABLE TV

- 1 WHAT DOES WIRED CITY CONCEPT MEAN?**
Wired-City Concept means that Halton Cable Systems Ltd. will, with the homeowner's permission, locate their cable to the outside of every home at no cost or obligation to take the cable TV service if not desired.
- 2 WHAT IS A CABLE TV SYSTEM?**
It is a method proven for over 20 years in many areas across Canada of bringing constant local-interference-free T.V. reception to cities and towns in fringe or limited T.V. reception areas. A tower with specially engineered antennas is erected outside the town, designed specifically for the conditions present. With this equipment the maximum signal from up to 30 TV channels is picked up and fed by coaxial cable to an electronic plant where interference traps, pre-amplifiers, converters and balances, produce a snow-free picture. From here a coaxial cable carries the picture signal directly to your T.V. receiver.
- 3 HOW IS IT INSTALLED?**
A slender coaxial cable the size of a pencil is brought into your home or apartment, much like a telephone installation. The cable is terminated in the location of your choice. The work is done neatly and efficiently by cable T.V. experts with years of experience in cable T.V. systems. The cable carries no current — it is completely harmless.
- 4 IS AN ANTENNA NECESSARY WITH CABLE TV?**
No! The Cable T.V. System does away with unsightly T.V. aerials, and the problems that go with them.
- 5 AM I OBLIGATED TO SUBSCRIBE FOR A CERTAIN LENGTH OF TIME?**
No! You are not obligated for any period of time — your monthly service charge will cease whenever you advise us that you no longer require the service.
- 6 WHAT ARE MY ADVANTAGES WITH CABLE TV?**
 - (A) You will have a choice of different stations — just by turning the dial of your T.V. set. A good variety of T.V. programming at your finger tips.
 - (B) Eliminates interference from furnaces, vacuum cleaners, electric razors, passing motor vehicles, home workshops, etc.
 - (C) Eliminates ugly and dangerous home aerials with arrays which mar the appearance of your home.
 - (D) Eliminates damage to your roof or your home, and danger to your family or your neighbours due to wind or ice storms or lightning related to your aerial.
 - (E) Eliminates depreciation of efficiency found to occur within two years in individual antennae.
 - (F) Eliminates the cost of more and more antenna equipment on your potentially loaded aerial.
 - (G) There is no insurance necessary as with aerials or towers.
- 7 HOW MANY CHANNELS ARE THERE ON CABLE TV?**
 - You will have a choice of:
 - Five American Channels
 - WGR-TV—BUFFALO
 - WBN-TV—BUFFALO
 - WKBW-TV—BUFFALO
 - WNED-TV—BUFFALO
 - WUTV-TV—BUFFALO
 - Eleven Canadian Channels
 - CKVR-TV—BARRIE
 - CBLT-TV—TORONTO
 - GLOBAL-TV—TORONTO
 - CFOT-TV—TORONTO
 - CFPL-TV—LONDON
 - CHCH-TV—HAMILTON
 - CKCO-TV—KITCHENER
 - CICA-TV—TORONTO
 - CBLFT-TV—TORONTO
 - CITY-TV—TORONTO
 - CHANNEL 5—HALTON HILLS LOCAL

* When transmitter is moved to CN Tower and approval for carriage received from CRTC
- 8 IS CABLE FM AVAILABLE?**
Yes! FM stations are available when you have cable connected to your FM radio receiver.
- 9 WHAT IS THE DIFFERENCE BETWEEN CABLE TV RECEPTION AND MY PRESENT TV AERIAL?**
 - (a) Instead of your present aerial your TV will be fed from a custom designed antenna system with the most modern auxiliary electronic equipment for your personal use.
 - (b) You get sharp, clear, local-interference-free pictures throughout the year.
 - (c) A trained engineering staff is constantly on duty to maintain the excellence of the pictures.
 - (d) A clear-cut saving if you move—no aerial to remove and re-erect.
 - (e) Cable Television is TV reception at its best! Don't be satisfied with anything less!
- 10 WHAT ARE THE SAFETY FEATURES?**
Cable TV eliminates major hazards, such as your aerial being struck by lightning, wind and ice storms. It eliminates heavy maintenance costs, insurance charges, guy wires on the roof, etc.
- 11 IS THIS THE FIRST AREA WITH CABLE TELEVISION?**
No! Cable TV systems have been operating for more than 20 years, but Acton's system will be one of the most modern and up to date systems available, in North America.
- 12 I AM PLANNING TO BUILD. CAN THE CABLE BE INSTALLED BEFORE THE WALLS ARE PLASTERED?**
Yes! If you phone our office, arrangements can be made to install the cable as the electrical wiring is being done, making the cable immediately available in your new home.
