

Churchill
Paper drive
in spring

by Mrs. Fred MacArthur
Last Sunday, the morning service and Sunday School at the Churchill Community Church was well attended. Rev. A. W. Fosbury gave a sermon entitled "The Secret of a Strong Heart".
The next meeting of the Churchill Community Church Women will be held on February 19, at 1 p.m., at the home of Mrs. Don Anderson. A luncheon will be served.

The Churchill Community Church Women will be holding a paper drive in the spring. The exact date will be announced in the near future. Newspapers should be tied in bundles of 30 to 35 lbs. No magazines or glazed paper will be accepted.

Ospringle
Belwood
outing

By Doris Flies
Mrs. Mary Nellis and the grade 4 pupils of the Ospringle Public School took part in the outdoor education program on Thursday, spending an educational and enjoyable day at Belwood.

The group descended to the bottom of the Shand Dam, which proved to be interesting. They studied forestry and went snowshoeing, learning of the different types of snow shoes.

During lunch hour they were able to go skating. Miss Donna Steel, Mrs. Vernon Stewart and Mrs. M. Martin were class helpers.

Gym equipment
Last Tuesday, the school was fortunate in having Paul, an assistant to Morley Ashton, the Physical Education Director, spend the day. He worked with various grades, teaching the proper way to use gym equipment. The pupils enjoyed the extra sports.

Mrs. Bernice Buchanan, Mrs. Arlene Hopkins and Mrs. Anne Smith, who are in charge of gym activities, felt Paul's visit was worth while.

Clarence Denny held a meeting at Ospringle school Tuesday evening for the school bus drivers of Erin and Famosa townships. The meeting was to talk over problems, and to plan how to make business more effective.

At Knox Presbyterian Church last Sunday, Mrs. Byron Bruce and daughter Brenda sang the hymn "Hold Thou my Hand". Before the children's story, Rev. George Lewis asked the boys and girls to come up to the front, and each one repeated a verse from the bible.

Mrs. Barrie and Carol Bruce, with baby son Carp, spent the weekend with Barrie's parents, Mr. and Mrs. Ward Bruce.

Mrs. Mike Hutchison of Kempsville visited this week with her parents, Mr. and Mrs. Gordon Aitken.

John Vander Vlugt, a student at G.C.V.I. in Guelph, was chosen from the geography class to be a staff member on a camping trip to Dorset. The five days of the trip will be spent learning the elements, two nights of which will be spent in a tent. John was selected because of his leadership and experience in the outdoors.

Free trees

Residents will soon be able to have town trees in front of their homes it was revealed at Monday's works committee meeting.

The trees will be planted by Halton Hills works staff, on town-owned boulevards, if residents ask for a tree.

The trees will be free since the town is paying for them and will be planted on a first-come first-served basis. If the town gets more requests than they have trees then those left over will be at the top of the list for the next year.

Requests for trees must be in writing to the engineer and it will be one tree per house. If you already have a tree, you can't have another.
