Let's talk about HORSES

By Jennifer Barr

Just like the cat—we came back. The number of requests to continue this column has been very rewarding. So here we are, horses, ponies, donks and me—your friendly neighbourhood horse nut.

However, we need some letters, please, unless you want to put up with several weeks of my horses' antics (heaven forbid!).

Our little stable is full this winter—nine in eight stalls! Before you call the Humane Society, the two donkeys share a box stall. All fat, sassy and seeing how much trouble they can cause their handlers.

Bobby Beau, son of Anna-Belle our Abyssinian donkey is no longer the cuddly fluffy toy he was this past summer. If you tried to cuddle him now, you'd come up with a bruised chin, a couple of missing teeth and a sweater full of burrs. Every so often, I chase him around his stall pulling bits out of him or tie him up and suffer the over-reaction. I've been trying to talk the Girls (those who board horses with us. Spelled with a capital G) into tiding up the infant terrible but no-one seems too keen. Guess we'll just have to clip in the spring.

Meanwhile, we need those letters, so get busy, horse fans. Send to: Jennifer Barr, R.R.2, Acton or The Acton Free Press.

TAG slides

Trinity Activity Group held its February meeting at the home of Mrs. Gloria Coats. The group was pleased to have as its guest the Rev. Eric Nelson who brought with him some information on International Women's Year published by the United Church.

Mrs. Coats led the devotional portion of the meeting. The business meeting was conducted by Mrs. Dianne Butler. It was decided to change the meeting night to the third Thursday of each month.

Sell spoons
Plans for World Day of Prayer, to be held Friday, March 7, were completed. The group agreed to take on the selling of silver spoons commemorating the 50th anniversary of Church Union. Following the business meeting Mrs. Coats introduced Mrs. Kathleen Alger who entertained the ladies with beautiful slides and a most interesting dialogue of her trip to Hawaii, Samoa, New Zealand and Hong Kong.

Election date to stay same

Councillor Ern Hyde went down fighting in his bid to have municipal elections changed to October 1.

He managed to rally the support of Councillors Dick Howitt and Roy Booth, but the remainder of council did not back any move to have the legislature change the date of elections and the end of the provincial fiscal year.

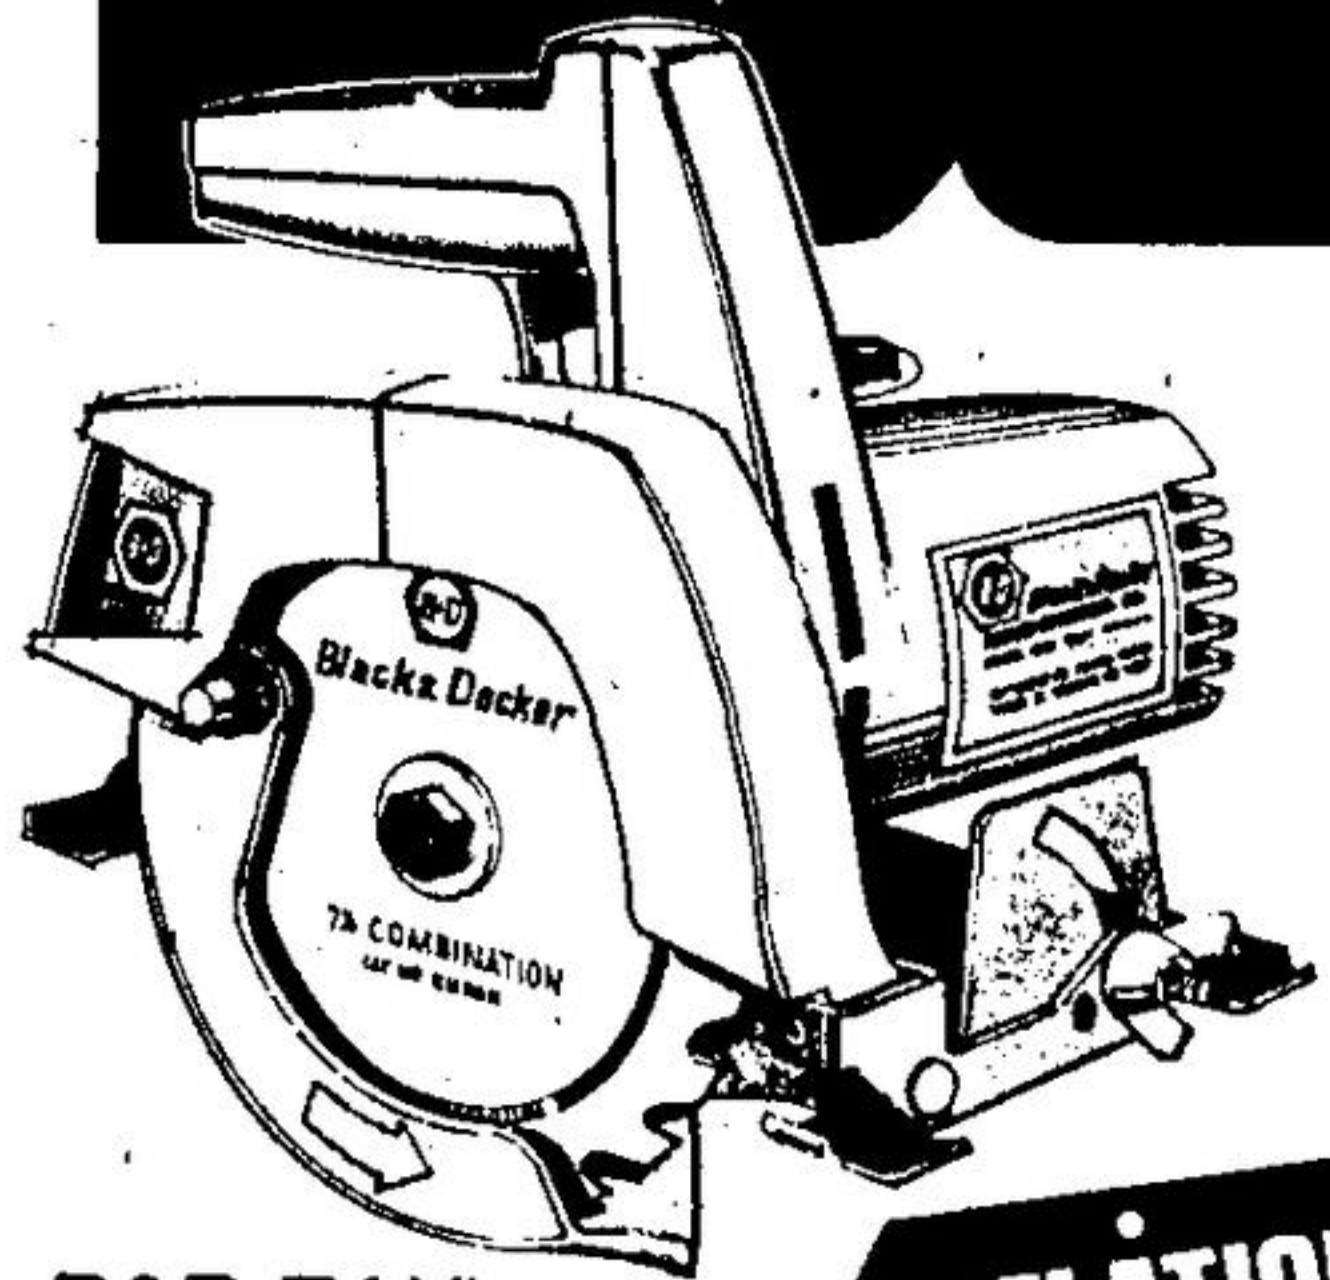

"The federal and provincial governments never have elections in December, they pick June," commented Hyde.

Councillor Harry Levy said the committee had looked at the matter twice and considered the whole thing an exercise in futility.

WELCOME SERVICE
