

Mean Winter Blahs?

There's no need of such a feeling in North Halton, where there's something for all, young, old, brainy or brawny.

Again this winter, recreation departments, the Y.M.-Y.W.C.A., and Conservation Authorities, pooled their resources to offer outdoor and indoor fun to dispel those "I'm in a rut, sitting here watching T.V. blues."

These shots were taken at Mountsberg Conservation Area, Glen Eden ski hills, Kelso, Acton indoor swimming pool, Georgetown Little Theatre, Halton Hills Recreation Department and Georgetown Y.M.-Y.W.C.A. activities.
