

Rear yard reduction

F. J. Fleback, 128 Elmore Drive, Acton, will be able to build an addition to the rear of his house.

Last week Halton Hills Committee of Adjustment, approved his application reducing the rear yard requirement from 40 feet to 23 feet.

Mr. Fleback said the land behind is vacant, and no one objected to his plan to add to the back of his house. He explained the addition would be aluminum or vinyl siding, with a gable end roof tying it into the existing roof.

The committee approved saying there are no objections, and the addition is compatible with the house and surrounding homes.

New family court

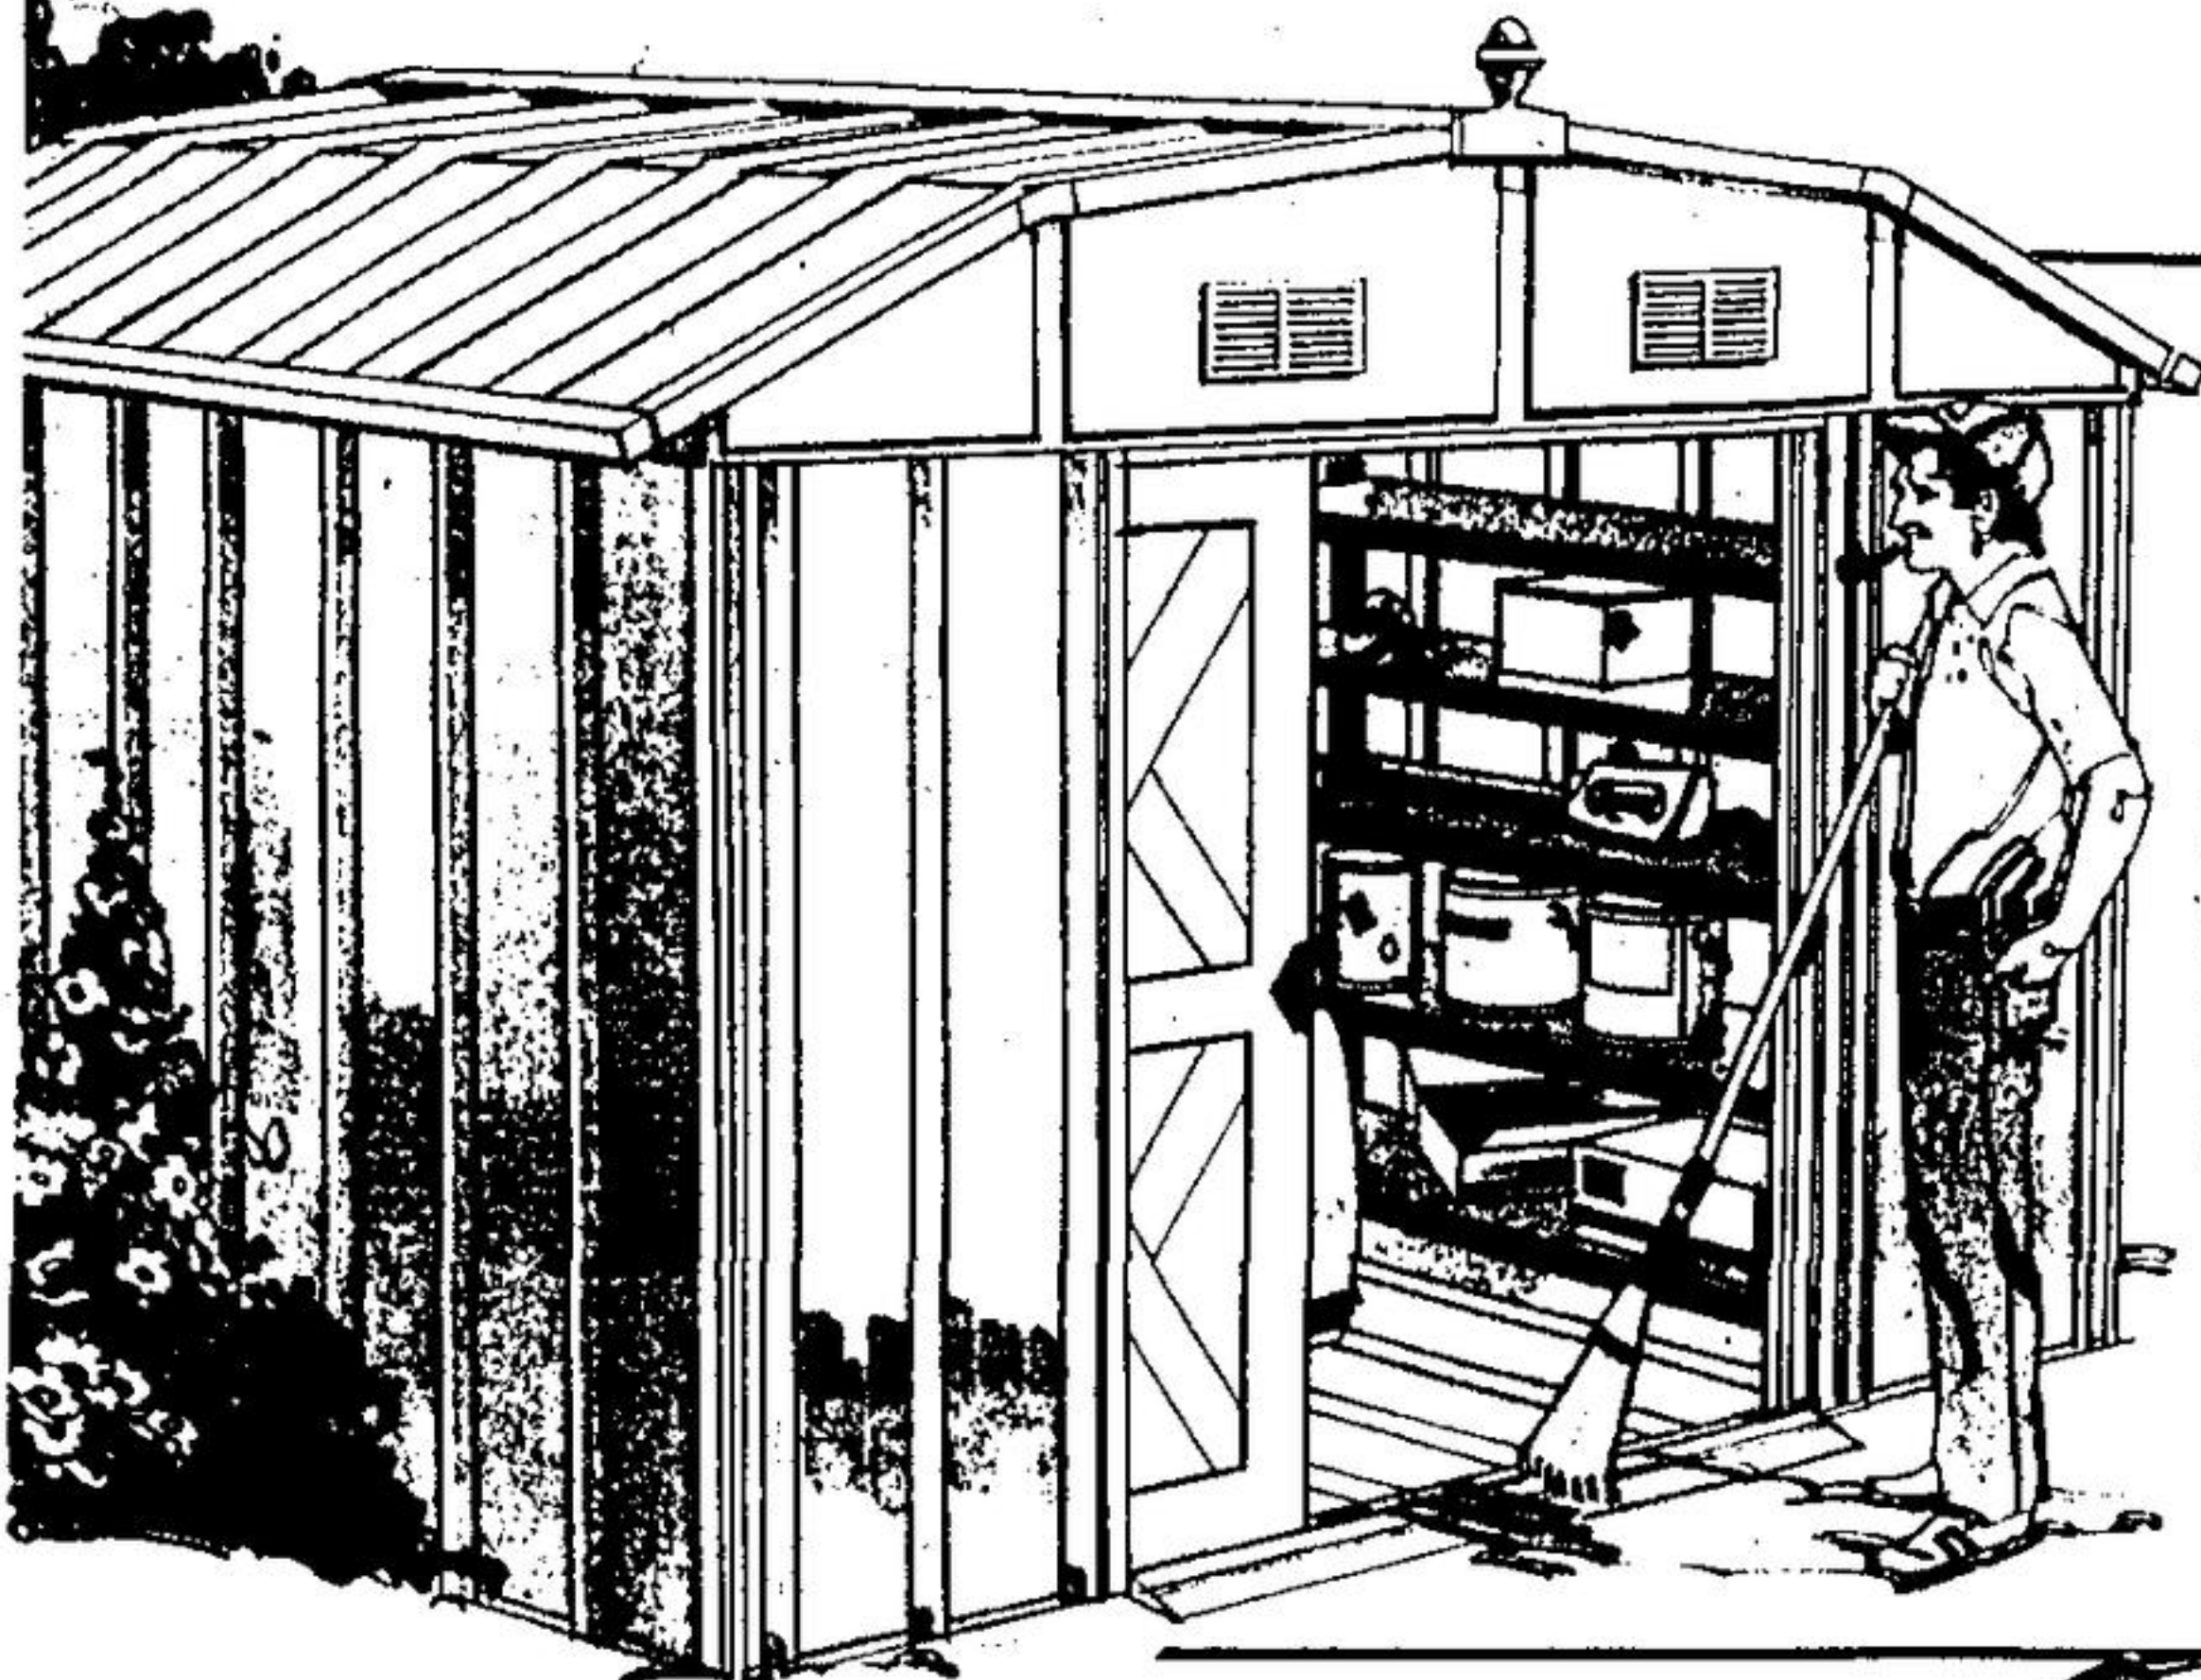

Jim Snow MPP Halton East and Minister of Government Services said recently that tenders are now being called for alterations to the Ontario Government Building, Milton for the Ministry of the Attorney General.

Mr. Snow said that the alterations will provide a new provincial court (family division) and expanded accommodation for the offices of the sheriff and crown attorney on the second floor. The building already houses court rooms and supporting facilities as well as the land registry office.

Designed by associate architects Wall and Yamamoto of Burlington, the work is expected to be complete by mid-June 1975.

BEAVER

Spring Values

GOOD FRIDAY breakfast at Eden Mills was for children of all ages. Little Chad Rowsell of Acton finishes up his super treat, a delicious arrowroot cookie.

M. Leahy assistant

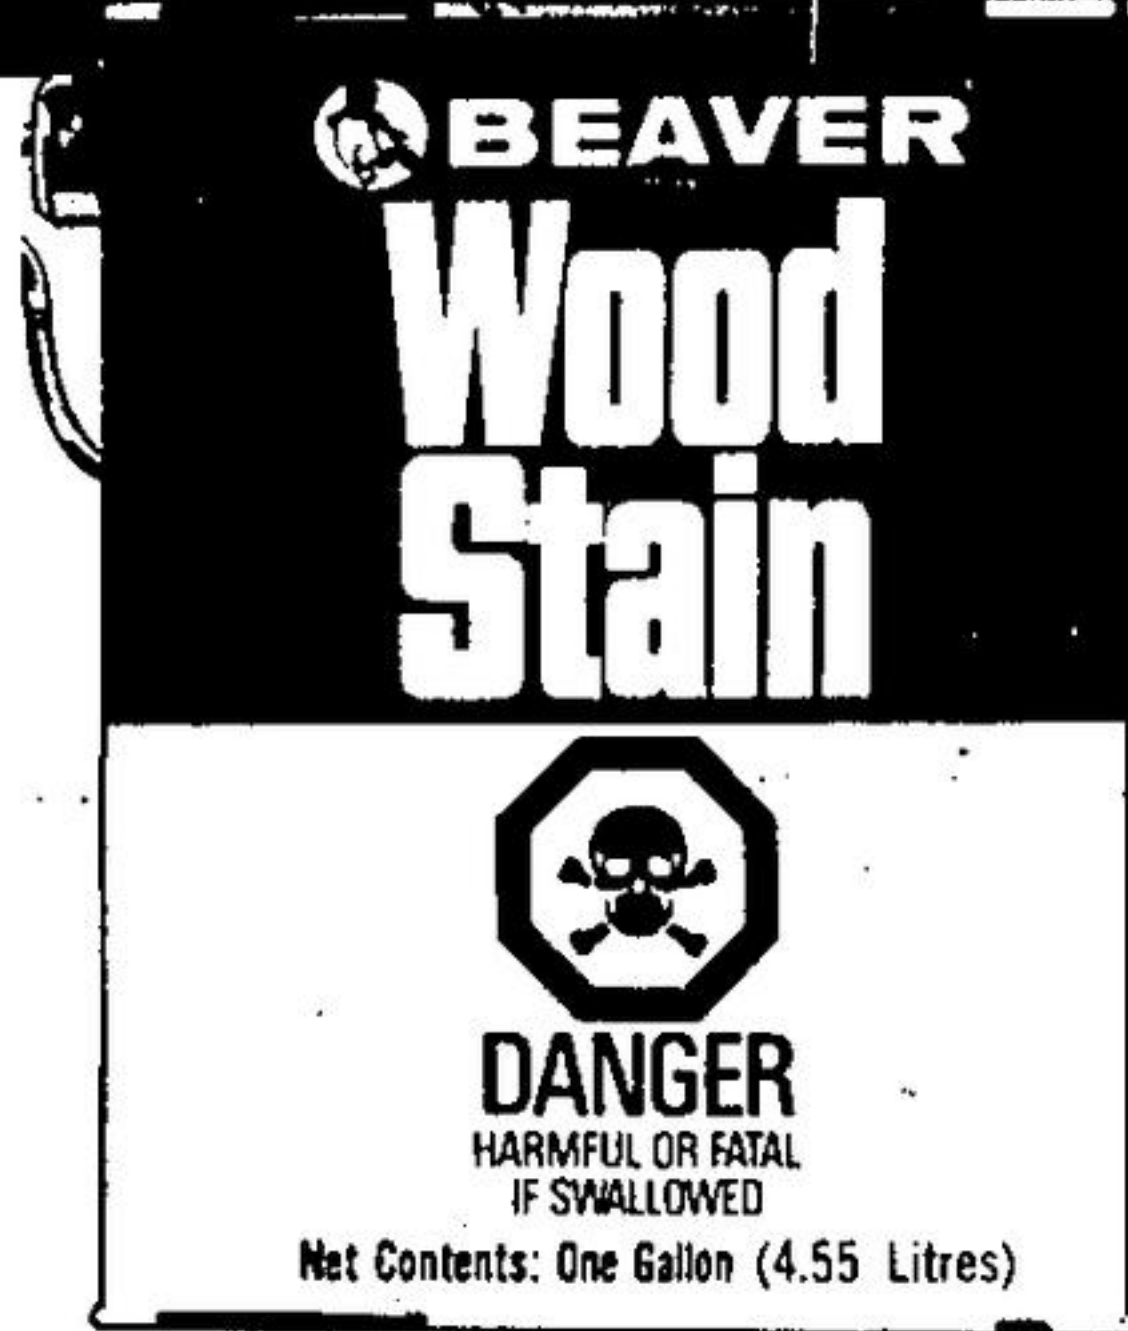

A new assistant Agricultural Representative has been appointed for Halton, the Ontario Ministry of Agriculture and Food Office in Milton announced this week. Mark Leahy will start working as Agr. Rep. Henry Stanley's assistant about May 1.

Mark will be graduating from the University of Guelph this year where he has majored in Animal Science. He has a farm background in Peterborough County and has been an active 4-H member. In 1972 he attended the Provincial 4-H Leadership Convocation. Halton has been without an assistant agricultural representative since Marcel Delorme left to become an agricultural representative in Manitoba last August.

GO goes for advertising

Commuters on Georgetown's GO trains could soon be treated to an array of advertising during their journey to and from Toronto each day.

The Toronto Area Transit Operating Authority (TATO) recently announced that they will be selling advertising space on their rail coaches and station platforms.
