Winter break meant sign- Michigan. She feels her off time for 20 Centennial training at the CEF stands school youngsters who en- her in good stead with the joyed weekly participation in children. She applies many of a special after-school Church | the games and songs learned school class. It was the Rock- at the Michigan centre to stimulate the interest of her

teachings. Mrs. Drijber says that "sword drill" is the favorite The teacher is particularry the Bible for most children.

Missionary work is given course on Christian teaching special emphasis, according last year at the Child to the teacher. She explains Evangelist Fellowship in that child evangelism missionaries work all over the world teaching children using her methods. "They also share their techniques in teacher-training classes with native populations," she said and pointed out that world headquarters is in Muskegon at present but new fields have

opened recently in Asia and

Usually six months Usually the after-school program is a six-month session of classes. This year classes were only from January until March 27 inclusive. Provision is to be made next year for older pupils to take part as teachers' assistants. Mrs. Drijber says the classes are held for one hour a week and are jam-packed with action. "They've over before they seem to have begun," she says and students agree.

The teacher explains there is hope that summer programs will be held for five days during months of July and August. "In backyards, parks and beaches or wherever children gather." Right now it has not been determined whether specialized teachers can get out to the Rockwood vicinity to hold classes but Mrs. Drijber suggests that children interested in the summer school, watch for advertisements because if at all possible they will be held in the village.
