Two new softball teams

The Acton Minor Baseball Association has added night girls and midge girls teams to its list of entries in the Halton Rural Minor Softball League.

Once again this year Acton will have pro and amateur girls teams and atom, squirt, pee-wee, bantam and juvenile boys teams. If enough interest is shown, there will also be "B-ball" for lots and house leagues in the age groups that require it. Bob Paul is president of the AMBA for the 1975 season. Ed Wood is secretary and Glenn Jackson treasurer. Ken Hutton and Bruce Cargill are in charge of the AMBA lottery committee.

Orangeville champions

The prestige of the Waterloo-Wellington Minor Hockey League skyrocketed Friday night, when Orangeville juveniles downed Milton of the Tricounty league 6-1 to win the OMHA Juvenile "A" championship.

Orangeville won the best of seven final 4-2, winning the first three games, then bowing twice on Milton ice. Acton Lions were the first team to fall before the OMHA champs in the Waterloo-Wellington group final. Gaderlich, Essex and Dunnville followed.

Milton sidelined Streetsville in the Tricounty group final, then eliminated Hespeler, Camp Huron and Markham to reach the OMHA finals.

Skiers and snowmobilers are still finding plenty of snow in the north country. Snowdrifts 15 to 18 feet high line some roads in the Barre-Collingwood area.

A five year forecast for capital spending in Halton Region totalling \$83,892,836 was approved by Halton Regional Council during its regular meeting Wednesday.

Regional Treasurer Don Farmer had told council at the outset that the forecast should not exceed \$85,000,000.

Various committees eventually whittled almost \$20,000,000 from the original estimate. Mr. Farmer told council that the current time was one where a critical appraisal of projects and spending was necessary.
