PUBLIC HEARINGS of the **MINISTERIAL INQUIRY** INTO THE **DUMP TRUCK INDUSTRY**

MAY 6, 1975 - 7:00 p.m. - 9:30 p.m.

LIONS CLUB HALL MEMORIAL ARENA MILTON, ONTARIO

The Commission will be pleased to hear the views of all interested parties in the community respecting any of the matters contained in the Terms of Reference.

The Commission is authorized:

To inquire into all matters relating to the use of for-hire vehicles in Ontario which have, or to which it is attached, carrying devices of the so-called "dump" variety used for the transportation inter alia of sand, gravel, earth, crushed or uncut rock or stone, land-fill, aggregates, soil, or other road construction and maintenance materials;

and without limiting the generality of the foregoing to inquire into and report on:

(a) The availability of dump trucks and trailers in relation to the demand for their services on both a provincial and a regional basis;

(b) The involvement of dump trucks registered outside the province in the for-hire trucking business within Ontario;

(c) The trucking rates at present in effect;

(d) The nature and scale of vehicle ownership within the for-hire dump truck industry including financing arrangements for purchases of new and used dump trucks;

(e) The existing situation in respect to the contractual relationships between the quarry or pit operator, the road construction contractor and the dump truck operator;

(f) The existing situation in respect to the safety of dump trucks including overloading practices and their potential effect on mechanical fitness;

(g) The criteria for the establishment of economic rates or charges;

(h) The advantages and disadvantages of control of entry into the industry, including methods by which such entry might be controlled if deemed advisable.
