**'FROSTY RED DOG'** shows off the ribbon he won for Peter Faulkner of Ospringe. Peter was first in the intermediate pole bending during Eb Ho riding club's first horse show recently.

by Mrs. R. Shortill Sr. Congratulations are extended to Mr. and Mrs. Robt. McEnery who quietly celebrated their 63rd wedding anniversary. This fine couple were Ballinafad people having both been born in this vicinity and lived here all their life except for a few years.

Both Robert and Margaret have not enjoyed the best of health this year. Robt. was able to be at the Maple View lodge, from Guelph Hospital for this happy occasion with his wife Margaret and a few of his close relatives and friends.

The small party was planned by Mrs. Joan Waldie, matron of the lodge.

**Mother's Day**  
Many of the families celebrated Mother's Day with family dinners with parents etc.

Some of the congregation at Church included those interested in the baptisms which took place - namely Kevin Andrew Gagne, infant son of Janice and Henri Gagne, also Ronald Scott McLean, son of Doreen and Ross McLean.

The newly-formed girls' quartette rendered Jesus Blessed Name. These girls show splendid promise of future enjoyment for us. Mrs. Jill Jessop told a touching children's story. Also Ernie McEnery and Emerson Clarke sang a duet Have

**Faith in God.**  
All in all we had a splendid Family Sunday Service with the La Rose family. Murray, Doreen, David and Paul accepting the offering and Charles La Rose and Rene Schwarz acting ushers.

Over it all at the organ Mrs. Eileen McEnery had suitable music and Lori Quackenbush read the scripture from Mark. Ch. 10.

**Singers**  
A number of us have enjoyed the choral music at Knox Presbyterian Church Georgetown Saturday and Sunday night. A couple of our singers were in the group.

Mr. and Mrs. Schwarz (Sr.) of Hanover Germany are visiting at the home of their son and family Mr. and Mrs. Paul Schwarz.

Our sympathy goes out to the family of the late Mrs. Morgan Graham who passed away last week after a lengthy illness.

Mr. and Mrs. Frank Smith accompanied Mr. and Mrs.

Chas. Burt and other members of their family to Kitchener, where they were entertained at the new home of Mr. and Mrs. Clayton Rott.

**W.I. meeting**  
The W.I. meeting was held Weds. night at the home of Mr. and Mrs. Jesse McEnery. In the absence of the pres. the vice president, Mrs. Jamieson chaired the meeting. Minutes and roll call were taken by Mrs. Smith, Sec. treas. Discussions on achievement day, May 24 and district annual May 21 as well as future quilting work took care of the business. Sides were chosen for a debate on efficiency of country women versus urban woman - points in favour of country women coming out best.

Mrs. Ada Kirkwood spoke on the motto. A sale of bulbs was held. Grace and Lola served lunch.

Mrs. Archie McEnery visited with Mr. and Mrs. Dick Shortill in their new home for dinner on Saturday night.

Mr. and Mrs. Lloyd Marshall were entertained at Kitchener by their daughter's on Sunday.

**Women fly scroll**

Barbara Brotherton, well known local pilot, flew to Ottawa Wednesday to receive a scroll signed by Prime Minister Trudeau noting the contribution of women to aviation.

The scroll will now be flown in laps across the country by 40 women pilots, all members of the International Women Pilots Organization, the Ninety-Nines.

The Ninety-Nines came up with this original way of marking International Women's Year, and asked the Prime Minister to have the scroll drawn up.

**Trophy presentations highlight area news**

by Mrs. Art Benton  
Mr. and Mrs. Herbert Sinclair just returned from their winter home in Tarpon Springs, Florida. They visited Mr. and Mrs. A. C. Patterson on Tuesday last week.

Mrs. A. J. Benton is recuperating at home following surgery at Guelph General Hospital last week. We wish her well.

Congratulations to the students and teachers of our local school on winning high marks in the music festival last week. Mrs. G. Booth presented one trophy on behalf of the W. I.

**Cubs Invested**  
Mrs. Hannah reports: Two more Cubs have been invested, Ron Rock and Jeff Fendley. Mrs. Rock attended the meeting and took part in the ceremony. Mike Smith has earned his cyclist badge.

Dan Stewart the swimmer badge and Eddie Galliford and Ron Rock the carpenter badge.

The Trees for Canada planting was postponed until May 3. Sixteen Cubs, three Scouts, the leaders, M. Garnet Case and Mr. George Brown went from Limehouse.

**Planted over 100 trees**  
Most of the boys planted well over 100 trees each. It was a beautiful day for planting and everyone enjoyed the lunch served by the 1st Georgetown Venturers.

That evening, over 250 people gathered at the Credit Valley Club in Norval for the second District dance to help the Scouts going to Norway for the Jamboree. Three of the door prizes went to people who bought tickets from Limehouse. The band playing was the Generation Gap.

The Scouts and Cubs held their 4th annual Father and Son banquet in Limehouse Memorial Hall with 48 attending. One of the Cub fathers, Brian Forster, catered for the supper and it was the best one we have had yet.

**Good deeds hard to find**  
The District Commissioner, Gord Douglas attended as did Assistant District Commissioner for Cubs, Terry Coulter.

Terry spoke to the boys about how hard it is these days finding a good deed to do. The Rev. R. Ruggie from the Glen (also one of our Cub fathers) told the boys two very interesting Indian stories. John Lambden from Acton took his scuba diving equipment.

**Vote of thanks**  
Group Committee chairman, Frank Hannah presented Akela Steve Thompson with a vote of thanks and a special plaque for his five years spent with the Cubs. Steve will not be with us next year. Gord Douglas presented Steve, as well as Elaine Hannah, with certificates for successful completion of the wood badge course. A sing song also was enjoyed.

The sky is clearing. The roads are bare, and the thermometer is rising. It's that time of year when our thoughts turn to a new car - so I would like to invite all of our readers to take a short pleasant drive to our showroom in Georgetown (see map below). Our selection of both new Toyotas and all makes of fully reconditioned used cars, has never been greater. Or if you can't come out, just call me at home, here in Brampton (457-9481), and I'll bring the car of your choice to you, without obligation, of course.

Thank you Terry Davy
