Scout and Guide news

by Mark Rowe

The seven senior Cubs of the first Acton pack were the first Acton pack were invested in Scouts, Thursday evening. They had attended meetings from the beginning of May. Scoutmaster John Sharples, invested the new Scouts in the impressive outdoor ceremony. Parent attendance was very good.

Fly up, swim up
Wednesday night, seven Brownies from the third Acton pack flew up to Guides. Captain Helen Rowe welcomed the new twentees to the company after the beautiful ceremony.

For the first time in this district, Beavers swam up to Cubs. Five Beavers of the Acton colony, swam up to Cubs Monday evening. The colony gathered in their river bank formation. Beavers Timmy Garton, Heath Norton, Donald Miller, Wayne Chapel and Robert Parre repeated their Beaver promise before their leaders and parents. After being wished luck, Keo helped them swim across the river where the lights flashed as they were struck by lightning and changed color from Beaver brown to Cub gray. The new Cubs then climbed the river bank and were welcomed by Akela. Refreshments were served afterwards. Leaders were extremely pleased by the parent turnout.

Saturday was spent setting this weekend's campsite for the North Halton District Scout Camporee. The Acton Scouts, who are the host troop, were very busy all day. The Scout meeting on Thurs-

day will start at 6.30 p.m. All Scouts must be there or they will not be allowed on the camporee.

Sunday afternoon was Acton's Decoration Day parade. There was excellent marching weather for the parade as we marched from Fellow Street to the Fairview cemetery. Brownies, Guides, Cubs and Scouts marched in the parade.

AHS Notes

Yesterday approximately 50 students visited the New Toronto Zoo. Dave Katz and Dave Jones were two of the chaperones on this outing. The students paired off at the zoo and studied one particular animal, which they had chosen in advance. With regard to these animals they observed them as toward their habitat. Also the students did another project of their choice, such as photography or a questionnaire.

This week at Acton high school campaigning and voting will take place for next year's Students' Council Representatives.

Acton 4-H Calf Club

The third meeting of the Acton 4-H Calf Club was held May 21 on the farm of Mr. and Mrs. Ken Murray. They had an excellent class of Holstein cows which we judged. The senior members presented a chart on the parts of a cow. The next meeting of the Acton 4-H Calf Club is to be held June 25 on the farm of Ron Wilson.
