FRIDAY & SATURDAY
JUNE 13th & 14th
CURTAIN TIME 7:45 P.M.
ALSO INCLUDED ARE
The Oakville Barbershop Chorus
(ONTARIO DISTRICT CHAMPION)

Speyside

The circus came to school Fri.

By Pam Sheldon
Whenever the circus comes to town the air fills with excitement and anticipation and that is exactly what happened last Friday when the Circus came to Speyside Public school.

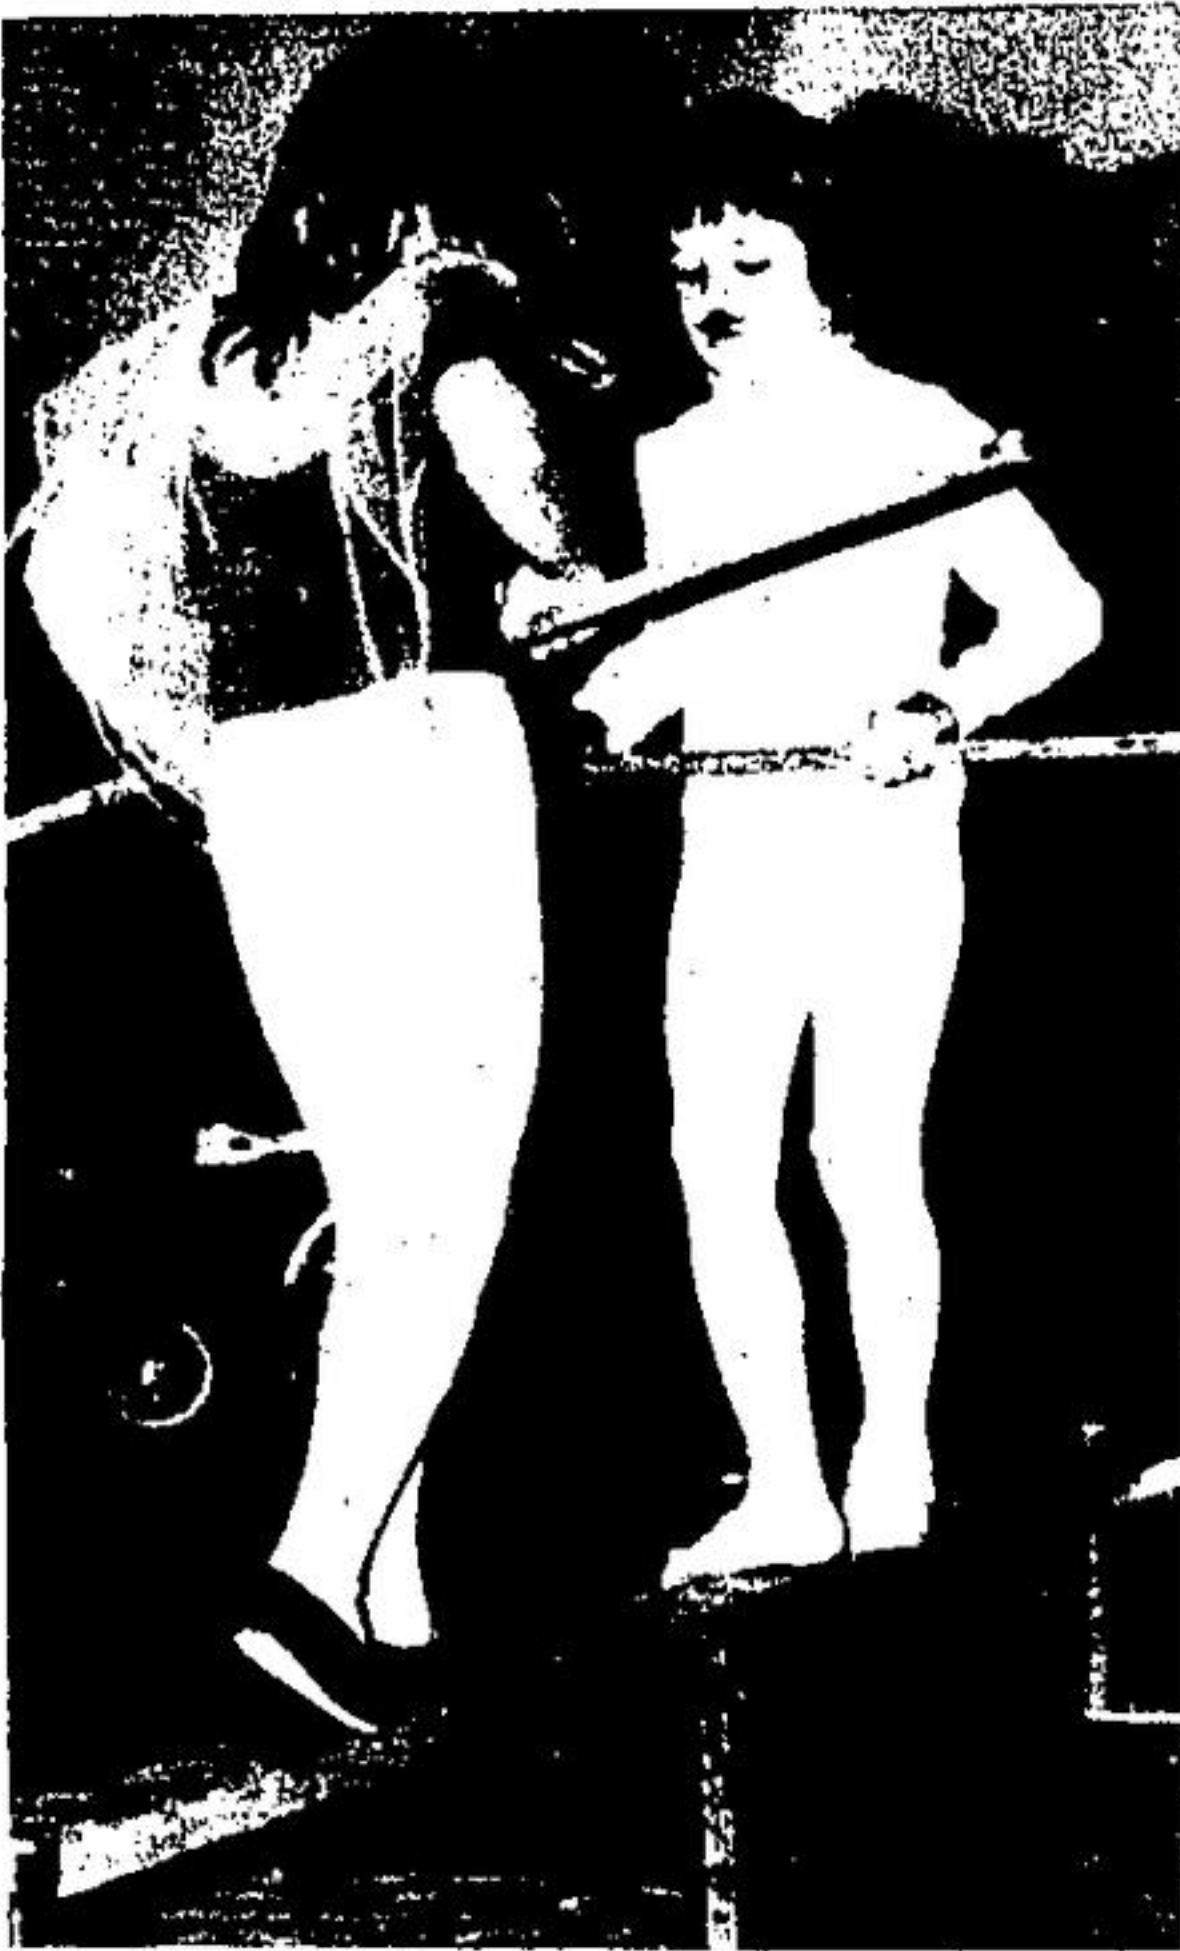

The gymnasium walls were lined 4 rows deep with an eager throng of spectators from grades one thru six, as well as about 50 adults and preschoolers, all primed to enjoy the events in store. There was something very special about this particular Circus, however. You see, the entire production was staged by the 34 Kindergarten children at Speyside. With the aid of costumes and pantomime they went thru their paces brilliantly and within minutes their entire audience had entered their world of "make believe".

After welcoming everyone, and a song by the class entitled "The Circus is Coming", Ringmaster Bilinda Taras opened the show. Three hilarious clowns and a monkey set the mood for the show with their crazy antics and slapstick comedy. Soon after came a bevy of performing animals and their trainers. The elephants were splendid, the lions growled furiously, and the brown bears playfully slapped at the trainer's whip. The performing dogs endlessly bounced a ball until their trainer, a happy little pint-sized clown, had to remind them to go on to other tricks.

The two trapeze artists were a delight, beautifully attired in their sequined finery and swinging gracefully to and fro on the end of a long rope. There were two tight-rope walkers defying gravity atop a balance beam, a daredevil motorcycle driver who put his machine through a rigorous course, jugglers deftly manipulating two and three bean bags and bowling pins at once, acrobatics displays, and equestrians astride two thoroughbred horses.

However, eventually all good things must come to an end and amidst howls of laughter and loud applause the Ringmaster closed the show.

The talent and imagination displayed by these young people was remarkable. It was evident they had worked long and hard to achieve such a likeness to a real Circus.

TIGHTROPE WALKERS Christina Farragan and David DeForest perform their stunts for students and visiting parents at the Speyside school kindergarten circus on Friday.

Special recognition should also go to the two people who made it all happen, Kindergarten teachers Mary Shier and Lynn Heatherington. Their hard work and devotion to their class has paid off as I can only give the Speyside Kindergarten Circus a rave review.

Nitty gritty
The proposed Creative Playground is in the news again. On Monday evening five local residents met with Norm Howell and myself at the school and got down to the nitty-gritty of planning such a project.

Different concepts were discussed, utilizing the materials on hand, and it was decided the first phase of the playground would include such things as a gigantic sand

box, a climbing apparatus made from the cable spools, as well as one made from tires, an old boat will be set atop springs, and a network of tunnels will be built using the sewer pipes donated to the project.

It became evident quite quickly that the one type of material that we are most in need of at this time is heavy timbers. If there is anyone out there who can donate, or knows where to get a hold of, timbers or posts of varying lengths, approximately 8' in diameter, we would certainly appreciate a call. You can call Norm Howell at 853-0438 or myself at 878-9103. We can arrange to pick up anything you might have if you are unable to get it to the school on your own.

Ballinfad

Dedicate furnishings on anniversary Sunday

by Mrs. R. Shortill Sr.
Mr. and Mrs. Henry Burnett and Mr. and Mrs. Dan O'Connor with their families went camping on the weekend near Clifford.

Mrs. Harry Shortill had a family shower on Sunday afternoon for her niece Connie Somerville who is a future bride.

Mr. and Mrs. Wilfred Burt's new home on the town line is gradually taking shape.

Mr. and Mrs. Lloyd Marshall have sold their farm and will be building a new house on a lot they reserved.

Discussion groups
The service on Sunday was a little different. In lieu of a sermon discussion groups met. The theme of discussion was a "cheque from God." Many worthwhile thoughts

were brought forth.
Next Sunday will be a celebration of a Golden Year of Union. Communion and dedication of new church furnishings will be observed. Also luncheon afterwards will be served with reminiscences of the first United Church service here, conducted by late Rev. N. Waddell and late Rev. Aquilla Evans the respective Presbyterian and Methodist pastors. An interesting service is being prepared.

Convalescing
Mr. Lloyd McEnery was able to return home from Guelph Hospital and is convalescing after a difficult operation.

Again we extend sympathy to the Graham family. Their brother Jack, who had been fighting the dread disease

passed away Monday.
New houses
Do we have a celebrity coming to live in our midst? Yes we do, but I won't report who—not just yet.

We took a drive up and across Peacock sideroad to the eighth line and then down—w-h-e-w—the new houses are terrific. Ballinfad seems a popular site for new houses.

Miss Nancy Shortill, a grade 12 student at Acton High School, joined her classmates on the Quebec trip and returned home Monday night. Saturday evening guests with Mr. and Mrs. Tom Given, were Mr. and Mrs. Ed Ryan and family, Mr. and Mrs. Fred Kentner and Kathy Hall, Sunday Mr. and Mrs. Dirk Jansen and family and Mr. and Mrs. Allan Hall visited with their parents.
