

ACTON MINOR soccer rep teams open play in the first round of the Ontario Cup this weekend.

Minor soccer clubs in Ontario Cup play

Three Acton minor soccer teams will begin competition in the Ontario Cup first round this weekend.

Acton mosquitoes will host the Steel Metallos team from Sudbury, while Acton peewees play at West Mall (Mississauga) and Acton atoms travel to London.

In Rural District League Invited to day camp

Halton Tuberculosis and Respiratory Disease Association is planning day camps for asthmatic children again this summer, three weeks in July and three in August.

They will be held at E. J. James Public School and Wedgewood Park in Oakville and will include swimming, physical conditioning, handicrafts, short field trips and fun.

All interested should contact the Halton TB and RD Association at 184 Balsam Dr., Oakville, L6J 3X5. Registration forms have been sent to all doctors in Halton Region.

Music recital

The Georgetown Trinity Teacher's Association held their annual Spring recital last week at the Georgetown Legion.

Participants included Lee-Ann Greene, Jennifer Thomson, Donna Service, Josee Pearce, Sandra Hancock, Susanne Lewis, Laura Schreiber, Lisa Copeland, Nancy Patterson, Gayle Jessop, Judy Krul, Karen Searle, Jennifer Arbie, Marc Pearce, Shelley Martin, Kim MacMillan, Anne Clausen, Heather Meek, Susan Bowman, Susan Mueller, Laura Stevens, Debra Bousfield, Bynda Sayers, Judi Petherick, Andrew Cherry, Ruth Wightman, Dorothy Richardson, Scull, and Charlotte McCleod.

About 30 students of the four teachers participated during the recital singing and playing the organ or piano.

Andrew Cherry, a former student of Mrs. Richardson Scull, was the guest artist during the recital. He is now studying music at McMaster University in Hamilton.

Students who participated were from Brampton, Guelph, Orangeville, Acton, Belfountain, Alton, Georgetown and Erin.

Drop plans for library

Halton Hills library board has decided to abandon plans for an addition to the library in Georgetown.

Faced with high tender prices and a recommendation from Halton Hills council that they discontinue any expansion plans, the board decided to concentrate on repainting the stone building which has served as the library there since 1912.

The addition was proposed in February 1972 but tenders came in more than \$100,000 higher than the estimated cost of \$300,000.

atom action last week the Acton "A" team ripped Hillsburg 3-2, while the Acton "B" team was blanked 3-0 by Ferris.

Hillsburg scored first against the "A" team, when Lorenzo Civiero stepped behind the line after making a good save. However, he settled down to play a big part in the victory.

Acton struck back with two quick goals, the first from Ken Kavanagh and the second from Scott McDonough. Hillsburg scored again to tie it up before halftime.

In the second half Barry Diggins moved back to centre half, which strengthened the Acton defence. Scott McDonough finally broke the tie with a fine goal.

Bulletin

Ontario Cup dates set

Acton minor soccer officials received word this morning (Wednesday) on exact times for this weekend's first round Ontario Cup matches.

Acton mosquitoes will take on Sudbury at the Acton High field on Saturday at 6 p.m. Fans are encouraged to come out and support the boys in this big game against the lad from the north.

First round game for the peewees is Saturday morning at 10:30 at West Mall in Mississauga. The atoms will travel to London for a 12 noon tussle with the London Boys' Club on Sunday.

Star player for Acton was Brian Demone, who played an excellent game in mid-field.

The "B" team scored two of the three Fergus goals into their own net. Although the defence played well enough to hold Fergus to one earned goal, the team is still unable to put the ball in their opponent's net. Danny Gibson was once again steady in net. James Thomas continues to improve and Gary White, Ronnie Rauwerda and Matthew Wakelin are playing well.

Acton's mosquito "A" team shut out Hillsburg 3-0, as Gary Lumbers scored twice and John Semence once. The team maintained its unbeaten record in very poor conditions. The mosquito A's coached by Kevin Lumbers are proving to be one of the best sides in recent years.

The mosquito "B" team lost 2-0 to Ferris in a torrential downpour. Acton played a man short for the whole game. Turning in good efforts for Acton were Robert Vermlen in goal and Mike Ashley and Jeff DeBruyn.

Acton peewees spotted Fergus a 2-0 lead then bounced back to win 4-2. After a shaky start goalie Mike Dawson settled down to make some good saves. Scott Malcolm scored three goals and Steve Mitchell one for Acton.

Andrew Ferguson scored both goals, as the Tigers blanked the Tornados 2-0 in a squirt house league game. He also scored three times in a 4-0 conquest of the Angels. In view of his progress Andrew will try out for the Ravens in the atom division.

Rangers downed the Raiders 7-1 in an atom division game.

Must apply for permit

Landowners and residents along the Credit River must notify the Credit Valley Conservation Authority of any changes to be made to their flood plain land and must also apply for a permit.

When application for a permit is made staff personnel make site inspections comparing levels on the flood plain map and then make recommendations to the Authority Executive Committee, a committee before which the applicant can appear.

Policy on proclamations

Halton Hills administration committee came up with a policy on proclamations which stated simply the advertising costs will be paid if the resolution states exactly that.

If it does not say, "and the costs be paid", the town will simply proclaim the week or event but will not pay for the advertising of the proclamation.
