Since then, most of the critters have been cornered into captivity again in such places as Ballinfad, north of Hwys. 24 and 25 and the first line. They were all tattooed in the ear for identification purchases.

Public Relations chairman, Connie Nieuwhof, told this newspaper that the Red Cross is making a last urgent appeal to those who have not sent in their donations to mail them to Post Office Box 106, Georgetown. It is not too late. Mrs. Nieuwhof pointed out that the success of the campaign also lies in with the free services given to residents of Halton Hills.
