

# Minor soccer weekly report

**By John Tyler**  
Acton Pee-wees claimed a 6-3 victory over Pineview Thursday, as Wade Vickery and Scott Malcolm shot two goals each. Rick Widmont and Len Nadhazy scored the other two Acton goals. Jim Altonby and Ted Nadhazy played outstanding games in the midfield.  
"They're settling down and playing the game well," says Coach Colin Ager. "The future looks good for this team."  
Mosquito "A's" also played well this week, beating the Mosquito "B's" team 8-1. Gary Lambers scored five goals, Ronnie Jackson put in two and David Mitchell added one more.  
Atom "A's" were shut out 7-0 in their Ontario Cup match with Burlington on Saturday, but managed to beat the Atom "B's" team 3-0.

**Rovers.**  
Although Raider goalie Joel Pink played a good game on Wednesday evening he was unable to keep out eight Ranger shots. Brian Demone put in four goals and Gary White scored twice. Ronnie Vantem and Kenny Kavanagh each shot one to complete the 10 victory.  
Tigers edged the Tornados 1-0 on Thursday. Trevor DeBruyn scored the single goal on a solo play from halfway down the field.  
The Tigers also beat the Angels 3-1 on Monday evening. Warren Hain assisted Paul Kilpatrick on two goals before being assisted by Paul for the third.  
Tom Vanderbyken continued to play well. After half-time, Sonny Walter shot the single Angel goal.

## GO train

The second GO train out of Georgetown died Tuesday morning in Brampton.  
The train left Georgetown on time at 7:25 a.m. but when it came time to leave the Brampton GO station the train refused to move.  
"The locomotive suffered a complete breakdown. Both the main and auxiliary engines quit on us and that is surprising since they are independent of each other," GO spokesman Tom Henry explained.  
He said all efforts to get the train moving failed so when the third train from Georgetown arrived it was pressed into towing duty.

**PLAYGROUND LEADERS FOR Halton Hills** got together recently. Included are in front Georgetown supervisor Marti Walker and Acton supervisor Rick Roher. In the next row are Liz Smedema, Georgetown; Colleen DeBruyn, Acton; Brenda Smith, Georgetown; and Gwyn Maneely, Georgetown. Behind them are Tineke Vryenhoek, Acton; Beth McCutcheon, Acton; Janette Smedema, Georgetown; Susan Mellor, Acton; Bev Duval, Acton; and Dave Deere, Georgetown. In the next row are Nancy South, Acton; Marion Jamieson, Acton; Myrna Snow, Acton; Jennifer Rowe, Acton; Diana Field, Georgetown; Carol Joyne, Georgetown; and Linda Keen, Georgetown. In the back are Karen Hillier, Georgetown; Janet Green, Acton; Shelley White, Georgetown; Karen Aseroff, Georgetown; and Mark Joyne, Georgetown.

## Sabres meeting

## Increase fair, teachers

Halton's elementary school teachers are describing their 33 per cent wage hike as fair and just.  
Peg Burton, president of the Halton branch of the Federation of Women Teachers' Association says the increase is fair because of the high cost of living and the fact that the average teacher has 24.6 years of experience. She pointed out teachers in Halton work a half an hour more each day than teachers in some other school boards.  
"The female teacher chief observed the settlement isn't the highest in Ontario and isn't really that substantial considering the fact that the teachers had to make up the cost of the labor force."  
She noted after 14 years' experience teachers in the middle four category had received only a 22 per cent career salary increase.

## This is "Festival Country"

According to Halton's representative on the Niagara and Mid Western Ontario Travel Association, the group is busy promoting the area as a tourist centre.  
Dick Godwin of Oakville points out promotional material for Halton and highlights of local events are now being circulated in brochures, folders, newsletters, press releases, etc.  
"The district is being referred to as 'Festival Country'." This ties in with such outstanding annual events already being held in Halton such as the Steam Festival," Godwin said.
