

Halton boaters take to the water

Enthusiastic Halton Region boaters believe the only place to spend the lazy and sunny summer months is on the water. And whether they sail on Lake Ontario opposite Bronte Harbor, paddle their craft across Fairy Lake or cruise under power along the Credit River, they share the

camaraderie of the sea. Standing guard while they zestfully enjoy the outdoors are small speedboats operated by Halton Regional Police and the Canadian Coast Guard Cutter Spindrift which performs an air-sea rescue mission on western Lake Ontario.
