A spin in the heat

... or baseball

A refreshing swim

Pony rides

A song in the park

The fun of a slide

Carnival games

Donut-eating contests

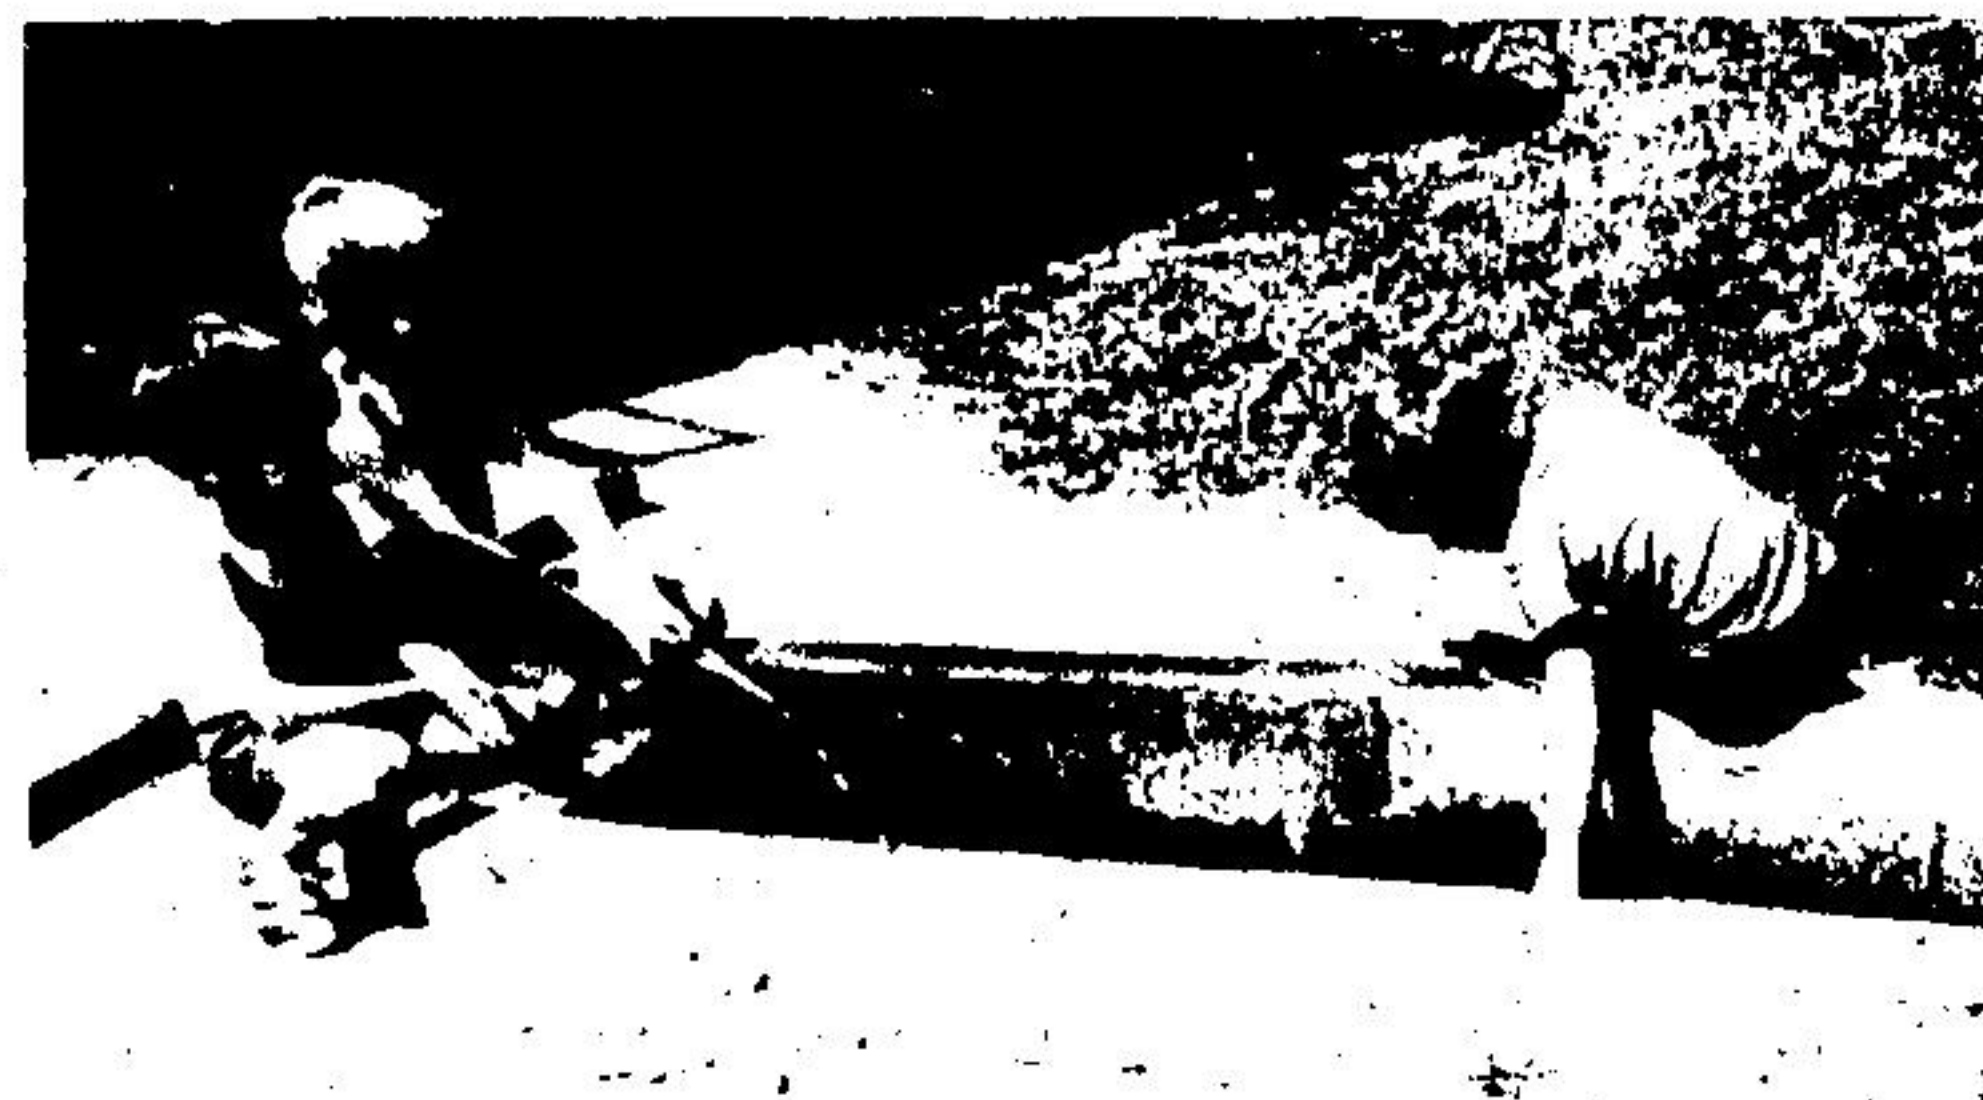

In the good old summertime . . .

Summertime . . . and the livin' is easy. Its a time for enjoying the great outdoors, whether alone by a bubbling stream or together at a picnic.

It's a time to let the cool, clear water splash around you or to sit quietly holding hands under a big shade tree.

The pleasures of summer are many. Relax . . . and enjoy!
