

Prospect Park will be the scene of the first Olympathon walk to be held in Acton.

The Lions club of Canada and the Coca Cola bottlers will be sponsoring the walk with half the money raised going towards the Olympic games and the remainder towards local Lions club.

The majority of Olympathon walks will be held this coming weekend, including Rockwood's, but due to the Acton Fall Fair organizers decided to postpone the local walk until October 4.

Unlike most walks, the Acton Olympathon will be around the track at the park. It was felt by Lions officials that this would be much safer than the standard walk on highways and roads.

No set number of miles will be named to be walked, although ten miles has been suggested as the average length. Each participant will

be able to walk the track as many times as desired, keeping in mind that each round is equal to half a mile. If some only want to walk one mile they are just as welcome as someone walking many more.

Check points There will be check points at the top and bottom of the track. Each walker will be carrying an official card, which will be stamped at each check point to keep track of miles travelled.

Vic Bristow, a Lions representative, explained that his group hopes to have prizes for some of the participants, possibly for the oldest and youngest. Refreshments will be available for the walkers.

The Lions hope to have a big crowd of spectators and programs for all to enjoy. Mr. Bristow explained he would like to make it a community event, with maybe a band

concert in the park.

There are still many plans in the offing for the event such as contacting the police, and St. John Ambulance.

Coca Cola and the Acton Lions urge everyone to get out and walk a few miles for a good cause. Those who cannot are asked to sponsor someone else.

Sponsor sheets are avail-

able at schools and businesses, which, according to Mr. Bristow, have been very cooperative with the local club.

He explained that he would like to see other groups and clubs in town get interested in the project.

Coca Cola will be available to the walkers free of charge.

Halton Sketches, the popular historical feature written by John McDonald, was delayed last week due to history developing in the McDonald family. John and his wife Kathy made sure the McDonald lineage would be perpetuated with the first child born Friday, Sept. 5. Baby McDonald weighed seven pounds, four ounces and is named John Anthony Scott.
