GENERAL ACCOUNTING SUPERVISOR

Smith and Stone, a leader in the manufacturing of electrical wiring device and porcelain products, has a current opportunity for a student approaching the completion of either the R.I.A. or C.G.A. programmes and possessing several years of manufacturing experience.

Reporting to the Divisional Controller, the incumbent, through a small staff, would be responsible for the general ledger, accounts payable and fixed asset accounting. Other duties would include exposure to budgeting, forecasting, internal audit, E.D.P. systems and taxation. In that Smith and Stone is a very complex manufacturing operation, a sound knowledge of a standard cost system would be beneficial.

Salary will depend on qualifications and we offer a completely company paid benefit programme.  
The successful applicant will have an opportunity to assume responsibility for other accounting areas as he or she proves capable. If the foregoing has been of interest to you, forward a resume of your experience, in confidence, to:

Personnel & Industrial Relations Manager,  
Smith & Stone Limited,  
2 Glen Road,
