

Acton soccer teams win to prove superior in play

Consistent play seemed to pay off for Acton peewee soccer players as they fired a late overtime goal to garner the Halton-Peel rural minor soccer championship at Acton High School field Saturday afternoon.

skills of the game at the season's outset and the others quickly learned through weekly practices coach Ager held. He said the team stuck together and played together. He mentioned the victory injury to exemplify the togetherness of the team's play.

Coach Ager took over the team after they were six games into this year's schedule. He said the kids never let him down and he never had to start a game without a full roster. Being modest about his coaching ability, Ager said, "a coach is only as good as his team."

Acton since 1970 when he came to town from Burlington. He said the game this weekend was a good end to end play with strong defenses and opportunities near the net. His team, the peewees, have only given up four goals in the last six games. This record says plenty about netminder Mike Dawson.

Mr Ager played soccer back in the United Kingdom for years. The last organized soccer he played was during his two years in the National Service when he played for the Royal Engineers.

In other contests that day, Acton mosquitoes nabbed an easy victory over Pineview 10-1, as they swept the field and caught Pineview rearwards sleeping near the centre line. Mosquitoes under coach Kevan Lumbers, haven't lost a game all year and capped the season with a 10 goal plunder.

Both Acton wins were over Pineview teams. In the opening game of the three contest finals, Hillsburgh dropped Fergus to grab their atom division 2-0.

The peewees' winning goal was netted by Steve Mitchell after a superb passing play from the forwards. Scott Malcolm made the final pass to set up the winning goal in the dying overtime minutes. Wade Vickery, the strength behind the peewee club, was set aside by an ankle injury.

Coach Colin Ager said the play of his team surprised him this year. He had four or five players who knew the

Acton Tennis Club championships being played over two weekends, this past Saturday found Michael Morris on top of the junior men's singles. Christine Steen and Stella Brunelle nabbed the women's doubles and Bernie Kovacs and Don Lindsay teamed up to win the men's doubles.

Next Saturday and Sunday the Senior men's and ladies' singles will be played as well as junior mixed doubles.

Sabres whittle players prepare for exhibitions

Sabre officials now have the team whittled down to a workable number of players since Sunday evening workouts at Gordon Alcott arena in Georgetown, leaving 26 players working for 17 available positions.

All Star tryouts schedule complete

Boys who wish to play for Acton's all-star hockey teams will be asked to come to team tryouts and bring 50 cents for each practice. All players wishing to play all-star must have a social insurance number by January 1, 1976. All-star fees will be collected from each boy when he makes the team. This extra fee is over and above what he has paid at the initial registration and will be \$5.

Next Tuesday tryouts will be held for the bantam team at 6 p.m., midgets at 7:50 p.m., till 9:20 and the juveniles from 9:30 to 11 p.m. The next day, Wednesday, October 8, atoms will practise from 5 p.m. till 6:10 p.m. till 7:40 and the minor bantams from 7:50 p.m. till 9 p.m.

The schedule for the Saturday, October 11 practices is as follows: peewees 8 a.m., minor atoms 9:40 a.m., novice 11:20 a.m., atoms 1 p.m., minor peewee 2:40 p.m., minor bantams 4:20 p.m., peewee 5 p.m. and bantams at 7:05 p.m.

had a four goals against average per game. This, their second season with the Sabres will probably see major improvements in goaltending, since both have a year's experience under their belts and are still fairly young.

Campbell said last year was a learning year for the two netminders and this year they should have more confidence in themselves.

Campbell also told the Free Press sports department that Charlie McKee will probably be captain again this year.

Other players now signed with the Sabres are Perry Caputo of Milton, Alf Behrens of Cheltenham—17 year old centre, and Joe Gardin—16 year old centre from last year's midget team here.

Not many more players will be signed until the team takes on three pre-season exhibition games starting October 10, when Alliston Hornets buzz into Acton. On the 12th Sabres will travel to Orangeville and on the 17th the Orangeville team will be coming to Acton to conclude the exhibition schedule.

From the tryouts Sunday, 17 players were cut and Craig Weldon, coach, will be working on lines and lining up the prospective 17.

Eddie Lange returned to the Sabre tryouts, after being cut by Barrie Flyers. Campbell said Lange was looking good.

Sportorial

Hockey will hit Acton like a disease this year, what with two major teams to follow, a super minor hockey program, and the television antics of the Toros and Maple Leafs.

Sabres' pre-season program is gearing up like never before under coach Craig Weldon and manager Bill Campbell. For one item, dry land training has never before been employed by any hockey club here. The Sabres are going great guns to get in shape for three exhibition games, two of which will be against Orangeville, a wagered strong contender in this year's Junior "C" circuit.

Besides the Sabres, the spanking, brand-new Acton Swords intermediate club will be sharpening their blades and spirits at Acton's Prospect Park tomorrow evening for dry land training. All interested prospects are asked to attend and meet at the ball diamond at 6:30 p.m. In case of rain, workouts will be sweated through in the arena.

Again this year, Sunday evenings at the arena will fill a weekend for rink rats as the Industrial league features three games weekly.

So don't forget to stock up on warm socks, muffers, and vocal enthusiasm.
